RHINO-RACK IS FOUNDED ON THE BELIEF
THAT LIFE IS BETTER WHEN WE

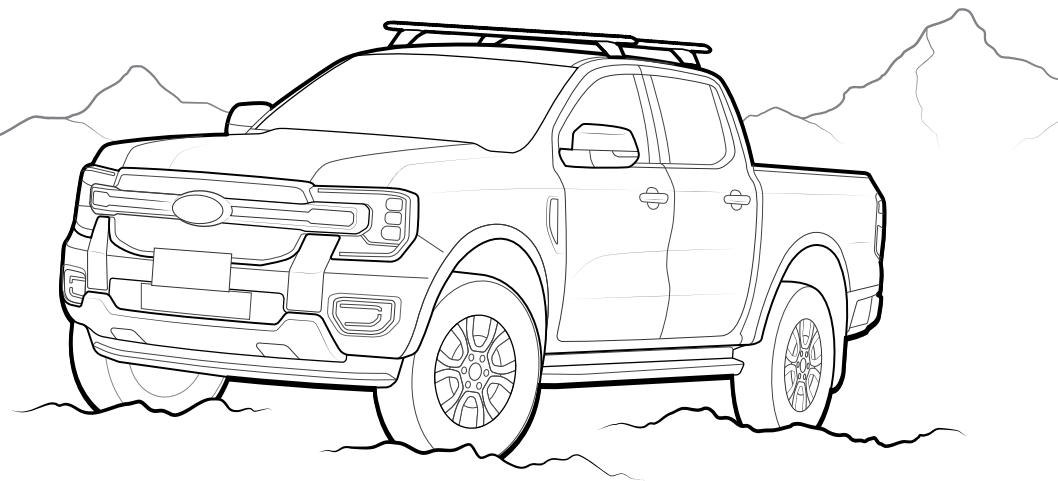

MAKE SPACE FOR ADVENTURE

OUR MISSION

**OUR MISSION IS TO HELP YOU MAKE
TIME AND SPACE IN YOUR LIFE FOR
ADVENTURE, WITH PRODUCTS THAT
ALLOW YOU TO BRING WHATEVER YOU
NEED TO WHEREVER YOU'RE HEADING.**

It's this double meaning of 'making space'
that's at the core of everything we do.

An aerial photograph of a dry, hilly landscape. The terrain is characterized by reddish-brown soil and sparse, low-lying vegetation. A winding road or path is visible, cutting through the hills. The lighting suggests a late afternoon or early morning setting, with long shadows cast across the landscape. The overall scene conveys a sense of a remote, natural environment.

THIS IS

OUR LAB

THIS IS OUR QU

A white SUV is parked on a rocky, uneven trail. The vehicle is partially visible on the left side of the frame, showing its rear and side. The background features a calm lake with several small islands, surrounded by a range of mountains under a warm, orange-hued sky at sunset. In the foreground, there are various green and brown shrubs and tall grasses. The text "QUALITY CONTROL" is overlaid in large, white, bold, sans-serif capital letters across the center of the image.

QUALITY CONTROL

AND THIS IS O

A photograph of a dirt road winding through a dry, hilly landscape. The road is reddish-brown and occupies the lower half of the frame. The hills are covered with sparse vegetation, including dry grass and small trees. The sky is not visible. The text "UR FIELD TEST" is overlaid in large white letters across the middle of the image.

UR FIELD TEST

LEADING THE WAY INNOVATION FOCUS

**AS A PIONEERING BUSINESS, OUR VISION IS TO REDEFINE
THE FUTURE OF 'RACKS.'**

Embracing innovation and pushing boundaries, we are determined to challenge the conventional norms and introduce cutting-edge products that revolutionise cargo transportation for your next adventure.

By embracing change and harnessing the spirit of adventure, we aim to inspire a new era of transportation solutions that cater to the evolving needs of travellers and adventurers alike.

AWARD WINNING DESIGNS

OUR INNOVATIVE SOLUTIONS HAVE RECEIVED WELL-DESERVED RECOGNITION THROUGH AWARDS, NOTABLY THE INTERNATIONAL GOOD DESIGN AWARDS. WE TAKE IMMENSE PRIDE IN THE PIONEER PLATFORM AND STOW IT UTILITY HOLDER, BOTH EARNING THE PRESTIGIOUS GOOD DESIGN AWARD.

Established in 1958, this award is among the oldest and most esteemed international design honours globally. The gold accolade, also known as the Good Design Tick, serves as a respected and recognised symbol of excellence in the design industry. As recipients of this accolade, consumers can rest assured that these products have undergone rigorous testing and evaluation, professionally designed to the highest standards.

OUR STORY

RHINO-RACK CELEBRATES 30 YEARS OF INNOVATION AND HELPING COUNTLESS PEOPLE MAKE SPACE FOR ADVENTURE.

1994

Richard Cropley founded Rhino-Rack®. Our first racks were sold in Haberfield, NSW.

1998

Began selling internationally, to adventurers in over 60 countries.

2008

Rhino-Rack opened its first warehouse in Denver, Colorado.

2010

Designed and launched our iconic Pioneer™ Platform range.

2018

The Batwing Awning wins our first product design award.

2019

All plastic removed from the Pioneer™ packaging.

2020

Our latest Rhino-Rack® Pioneer™ Platform is awarded a Gold Award at the 2020 Good Design Awards.

2021

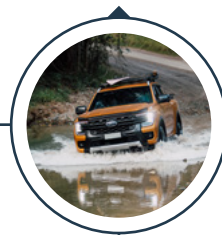

Rhino-Rack is acquired by the Clarus Corporation.

2022

Rhino-Rack celebrates its 30th anniversary of bringing innovative, versatile roof and vehicle storage solutions to both Australian and global customers.

2023

Launch of world's leading tray with Pioneer 6, launch of universal Sportz cross bar range and opening of new USA head office in Denver.

OUR GLOBAL FOOTPRINT

ADVENTURE IS EVERYWHERE

With distribution and stockists in 60 countries including the USA, Europe, New Zealand, China, Saudi Arabia, Germany, France and Asia, just to name just a few.

Head Offices

Sydney, AUS
Denver, USA

Distribution Centres

ACTIVITY GUIDE

**WE EMBRACE THE DIVERSITY OF
ADVENTURE, UNDERSTANDING THAT
IT HOLDS A DISTINCT MEANING FOR
EACH INDIVIDUAL.**

Whether it's camping trips with family, weekend getaways with mates, hitting the slopes, or catching a quick wave before work, our product can swiftly take you from work to play and caters to a wide range of your needs.

OVERLANDING & 4-WHEEL DRIVING

ENJOY THE FREEDOM OF OVERLANDING, WHERE YOU EMBRACE COMPLETE INDEPENDENCE AND VENTURE INTO UNCHARTED TERRITORIES, OFF THE GRID AND AWAY FROM THE CONVENTIONAL PATH.

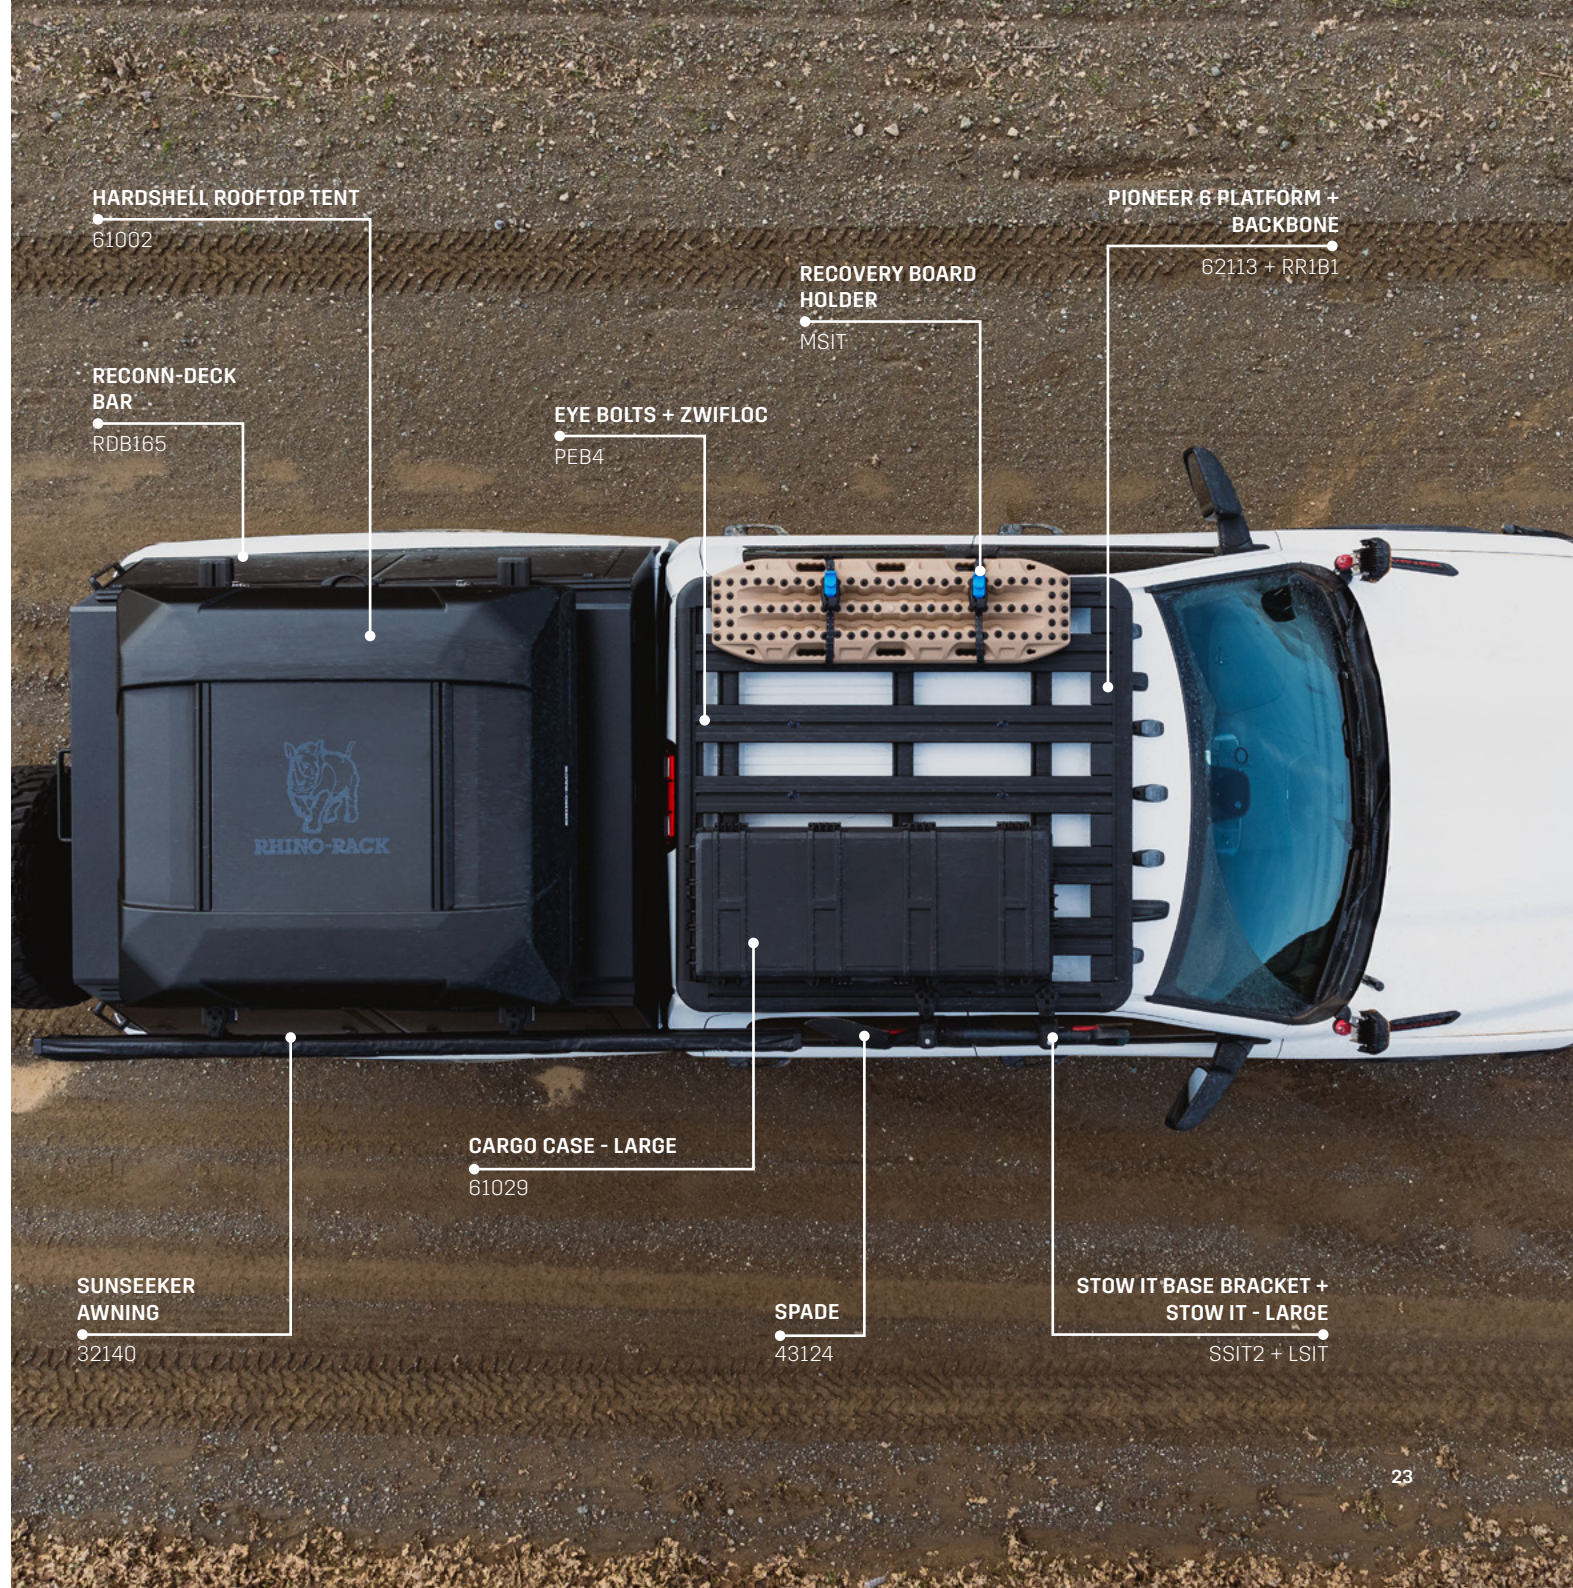

PIONEER 6 PLATFORM WITH BACKBONE | 62113 + RR1B1

When it comes to overlanding, our unparalleled choice for a roof rack is the Pioneer Platform. With its unmatched design and seamless compatibility with a wide array of accessories, you have the freedom to personalise your rooftop solution to perfection.

STOW IT UTILITY HOLDER LARGE | LSIT

4WDing is all about the drive itself, and if you're tearing over rugged off-road terrain, you'll need to be ready to deal with the somewhat inevitable consequences. Attach the Stow It Utility Holder - Large to your 4WD and you'll be able to mount your hi-lift jack almost anywhere across your Pioneer system.

The Stow It Utility Holder - Large can also conveniently store multiple fishing rods, a shovel and axe, or other similarly large and long items that you need to enjoy your destination.

CAMPING

EXPERIENCE THE AWE-INSPIRING WONDERS OF THE GREAT OUTDOORS, WHERE YOU CAN TRULY IMMERSE YOURSELF IN NATURE, UNWIND AND EMBRACE THE SERENITY THAT SURROUNDS YOU.

SOFTSHELL ROOFTOP TENT | 61026

Our all-new rooftop tent collection is as tough as trails, but as comfortable as home. The Hard Shell model combines a robust, weather-resistant design with a luxurious 70mm high-density foam mattress, while the Soft Shell provides lightweight versatility without compromising on strength and comfort. Both rooftop tents boast easy installation and are designed to elevate your outdoor experiences, ensuring you're well-rested and ready for whatever adventure lies ahead.

CYCLING

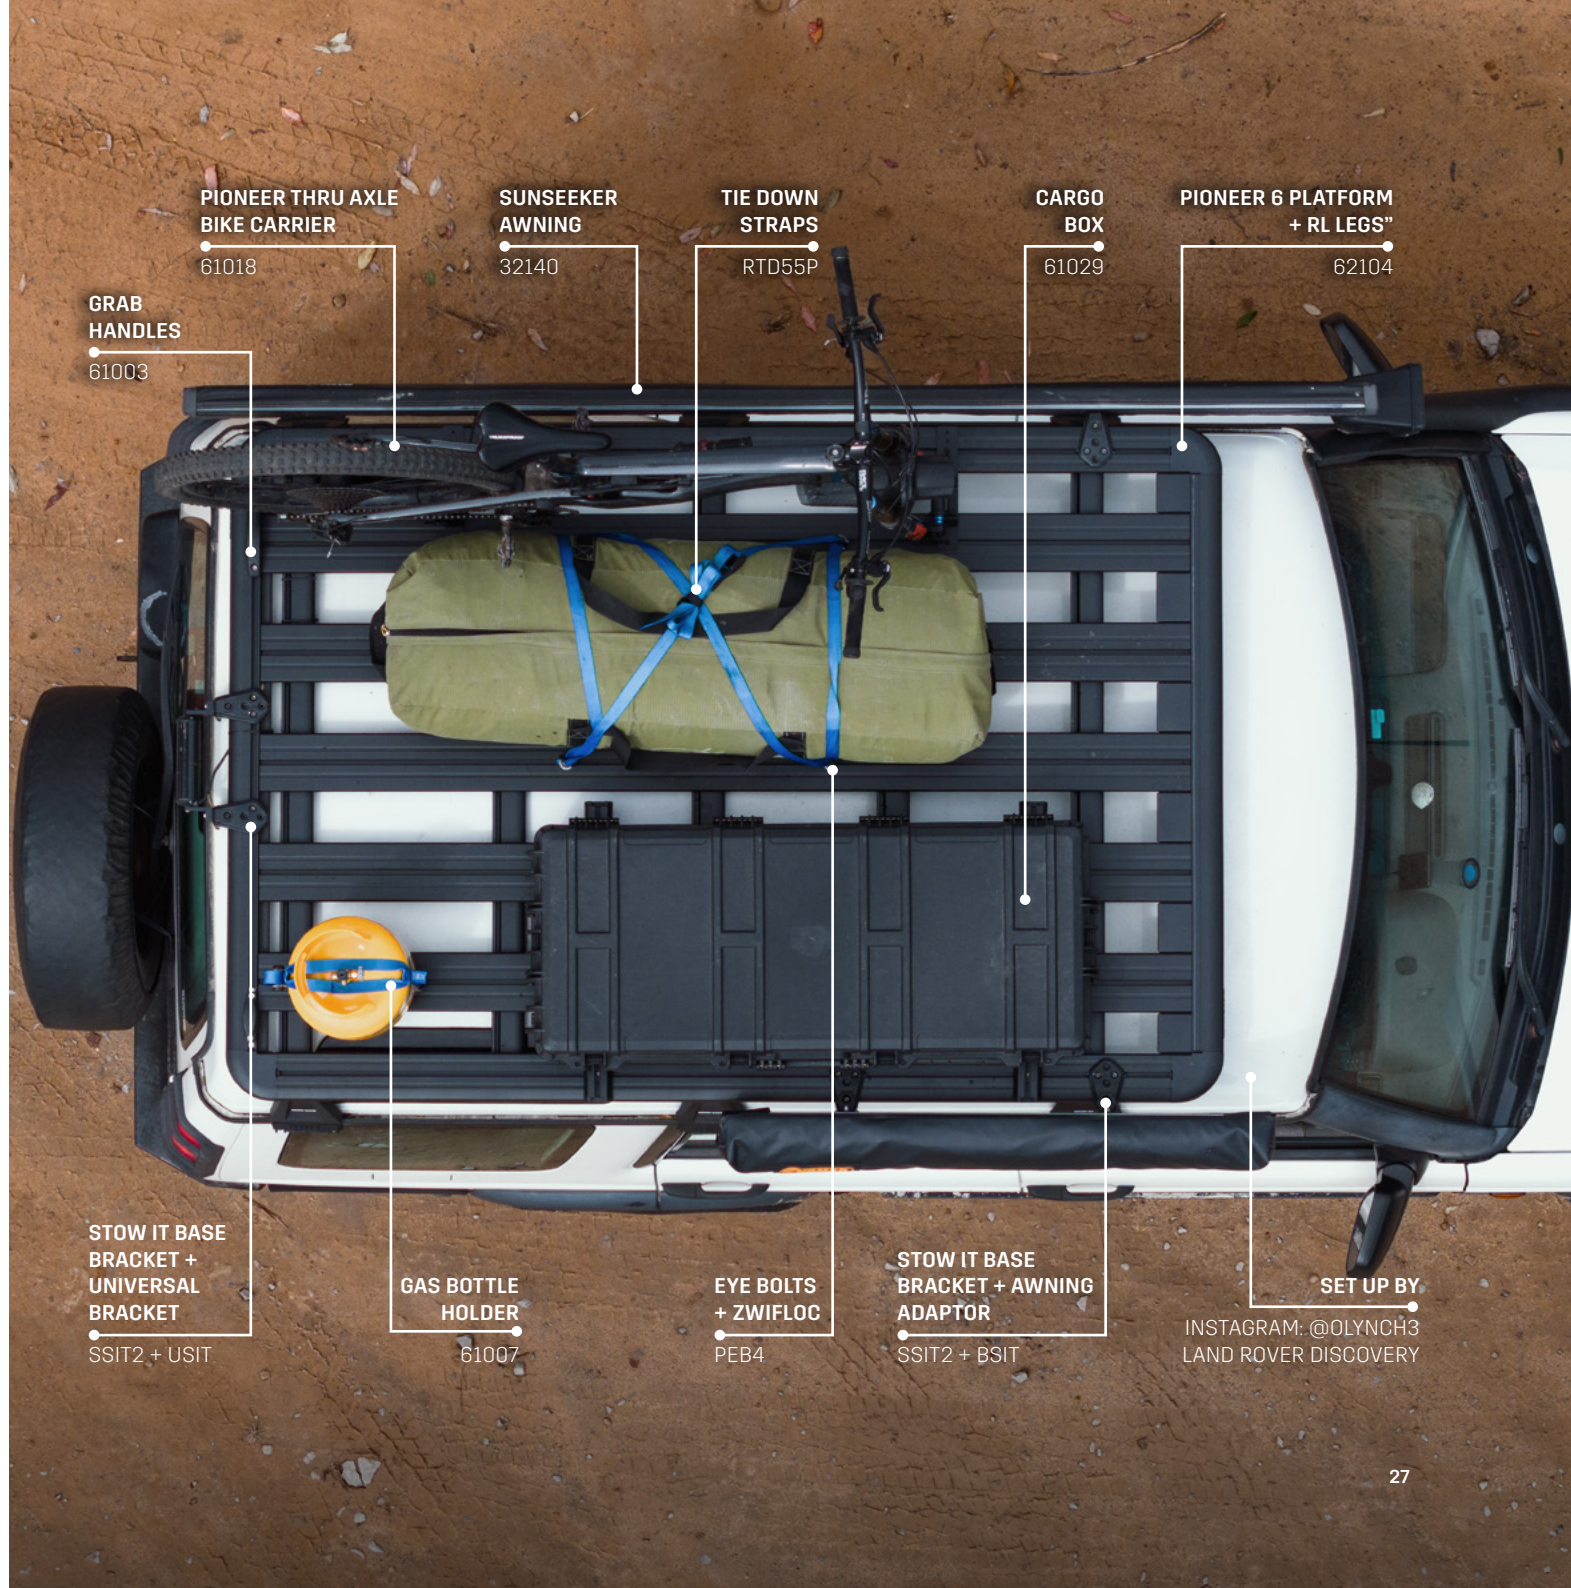

WHETHER YOU'RE HITTING THE DIRT TRAILS OR CYCLING THE SPECTACULAR COASTLINE, THE RUSH OF ADRENALINE AND THE SENSE OF ACCOMPLISHMENT YOU FEEL AS YOU EMBARK ON A NEW ADVENTURE IS LIKE NO OTHER.

PIONEER 6 PLATFORM | 62104

The Pioneer 6 Platform is the ultimate roof rack that expands your adventures—not just your vehicle's capabilities. Designed to be the pinnacle of engineering, the Pioneer 6 Platform is a leap ahead of our already impressive predecessors and challenges the boundaries of aerodynamics and durability. Born for the trailblazers, forged without compromise, the Pioneer 6 Platform isn't just an extension of your vehicle—it's an expansion of your potential.

PIONEER THRU AXLE BIKE CARRIER | 61018

The Pioneer Thru Axle Bike Carrier allows you to attach a thru axle bike directly to a Pioneer system. Designed for strength and durability, it firmly secures your bike whilst reducing any sway and rocking created when driving. The bike mount comes with 15mm x 110mm thru axle insert, with additional sizes available for purchase.

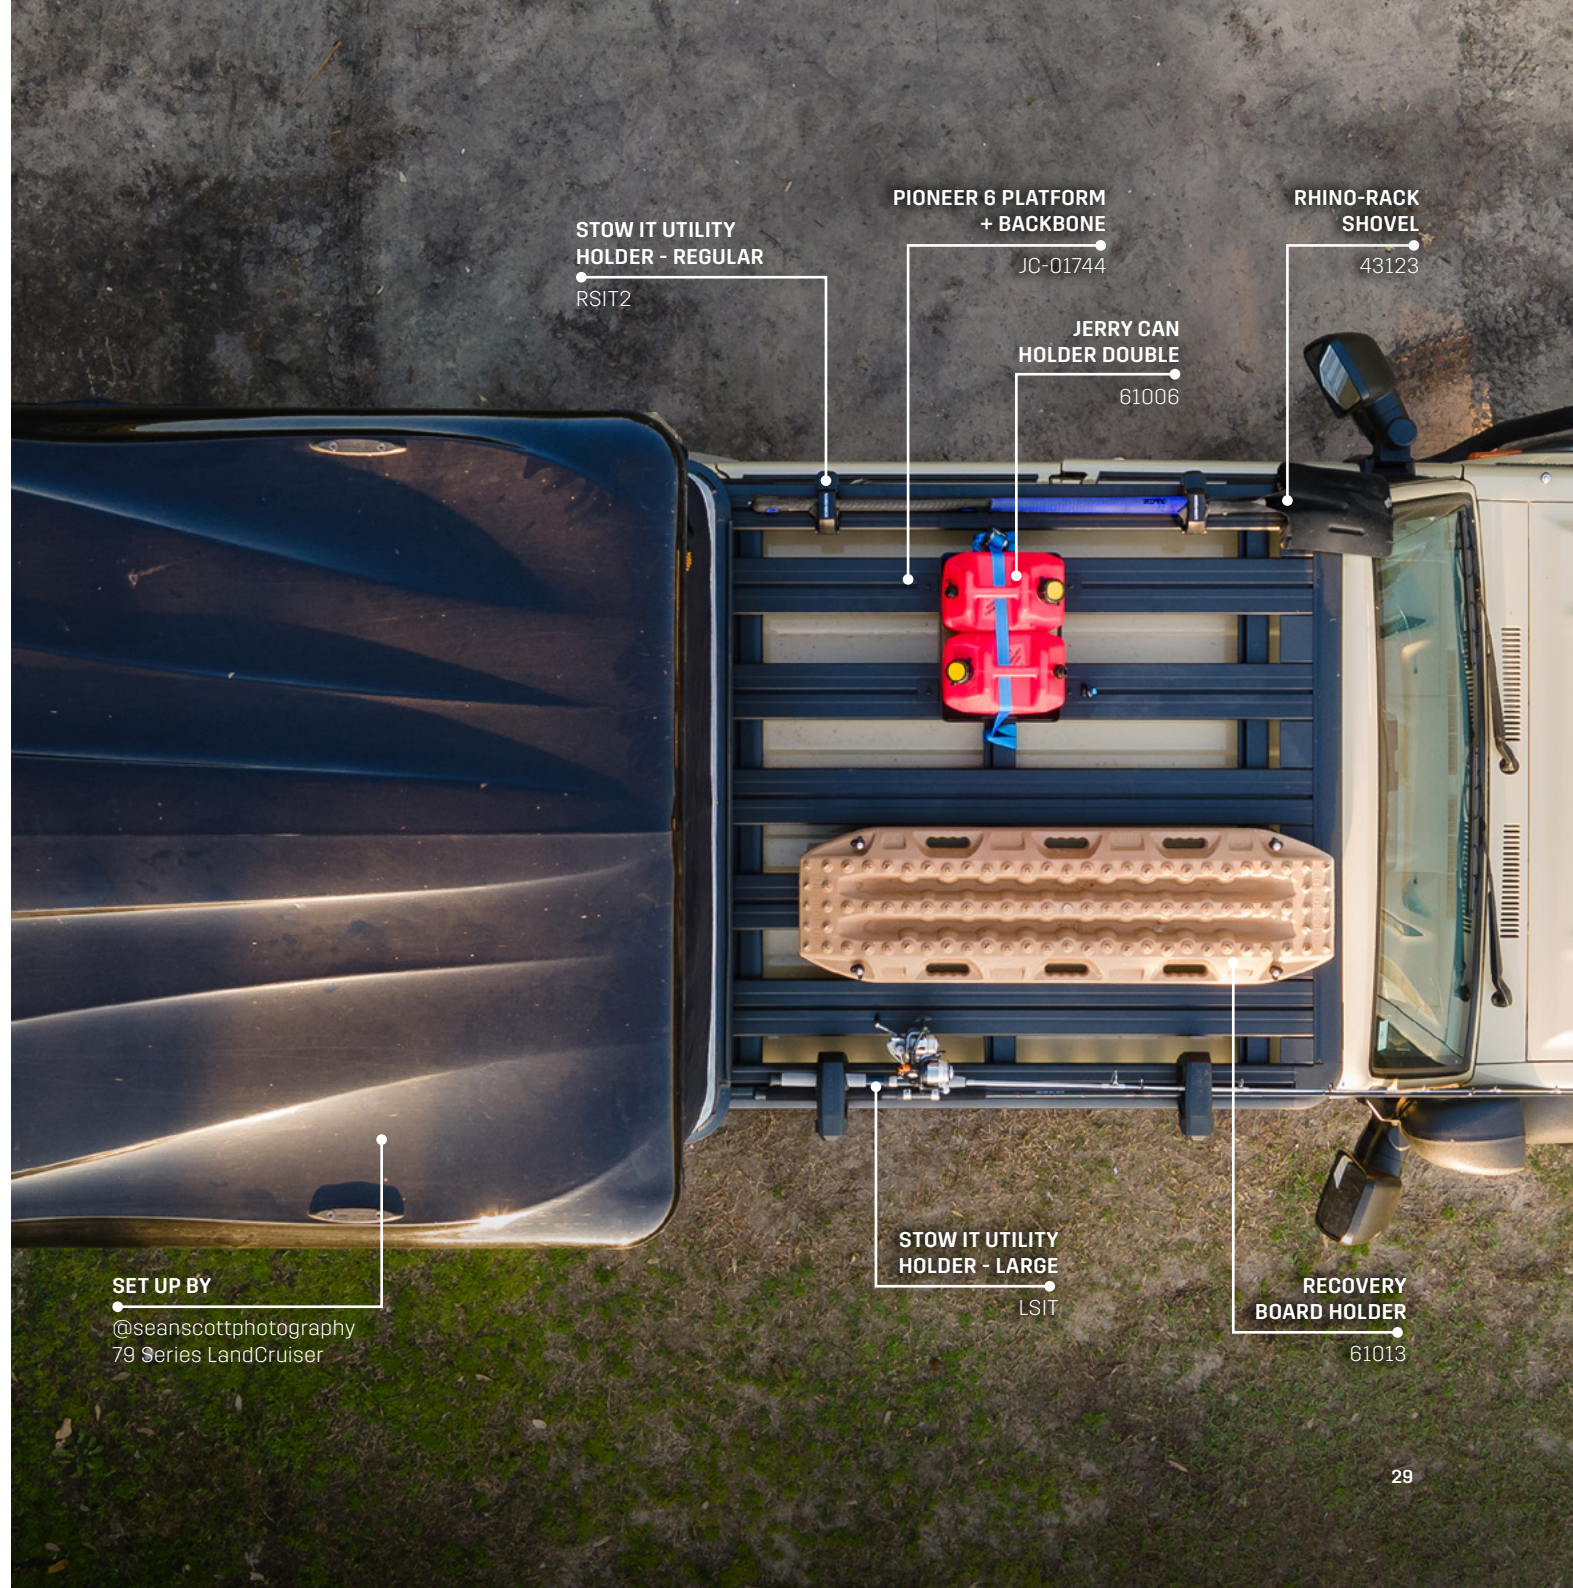

TOURING

TOURING IS MORE FOR THE JOURNEY RATHER THAN THE DESTINATION, OFTEN TAKING LONG, SLOW TRIPS ACROSS HUGE DISTANCES, AND VENTURING OFF THE BEATEN PATH WHENEVER POSSIBLE. WE OFFER A RANGE OF ACCESSORIES TO ENSURE YOU CAN GO FURTHER, AND STAY LONGER - FROM SHADE EXTENSIONS AND SIDEWALLS THAT OFFER A WELCOME ESCAPE FROM THE ELEMENTS, TO JERRY CAN HOLDERS FOR ESSENTIAL FUEL AND WATER.

PIONEER JERRY CAN HOLDER - DOUBLE | 61006

Prepare for remote journeys with the Rhino-Rack Double Jerry Can Holder, crafted from lightweight aluminium, ensuring you can transport ample fuel or water. Whether you're embarking on a camping expedition or an overlanding adventure, the Rhino-Rack Pioneer Jerry Can Holder Double is an essential addition to your gear, providing secure and reliable jerry can transport.

WATER SPORTS

RIDE THE WAVES OF ADVENTURE AND PADDLE, SURF OR SKI WHENEVER THE WATER CALLS. WITH THE RIGHT SETUP, MAKING SPACE FOR ADVENTURE HAS NEVER BEEN EASIER.

RAPID LOCKING STRAPS | RTD35P, RTD45P, RTD55P

Rapid Locking Straps are a quick, easy, and safe way to secure your water sports gear to your Rhino-Rack roof rack. Each strap features a lockable cover, PU-coated wire encased through the length of the strap, and a rubberised, corrosion-resistant cam buckle.

These straps are perfect for securing kayaks, surfboards, paddleboards, and other water sports gear. They are easy to use, even with wet hands, and they provide a secure fit that will keep your gear safe on your journey.

WEEKEND ADVENTURE

THERE'S NO BETTER WAY TO EMBRACE THE AUSTRALIAN SPIRIT THAN BY VENTURING INTO THE BREATHTAKING OUTDOORS. WHETHER IT'S A FAMILY CAMPING EXPEDITION OR A FUN-FILLED DAY AT THE BEACH, THESE EXPERIENCES BRING LOVED ONES CLOSER TO NATURE, CREATING UNFORGETTABLE MEMORIES TOGETHER.

BATWING WITH STOW IT | 33114

When you're out camping or enjoying a weekend getaway with your family, the batwing is the ultimate solution. This incredible awning extends a whopping 2.5m/98" from the edge of your vehicle, wrapping around the rear and providing 270 degrees of cover. It's the perfect addition to any adventure, offering not only weather protection but also extra space to enjoy the outdoors in comfort.

TRADE

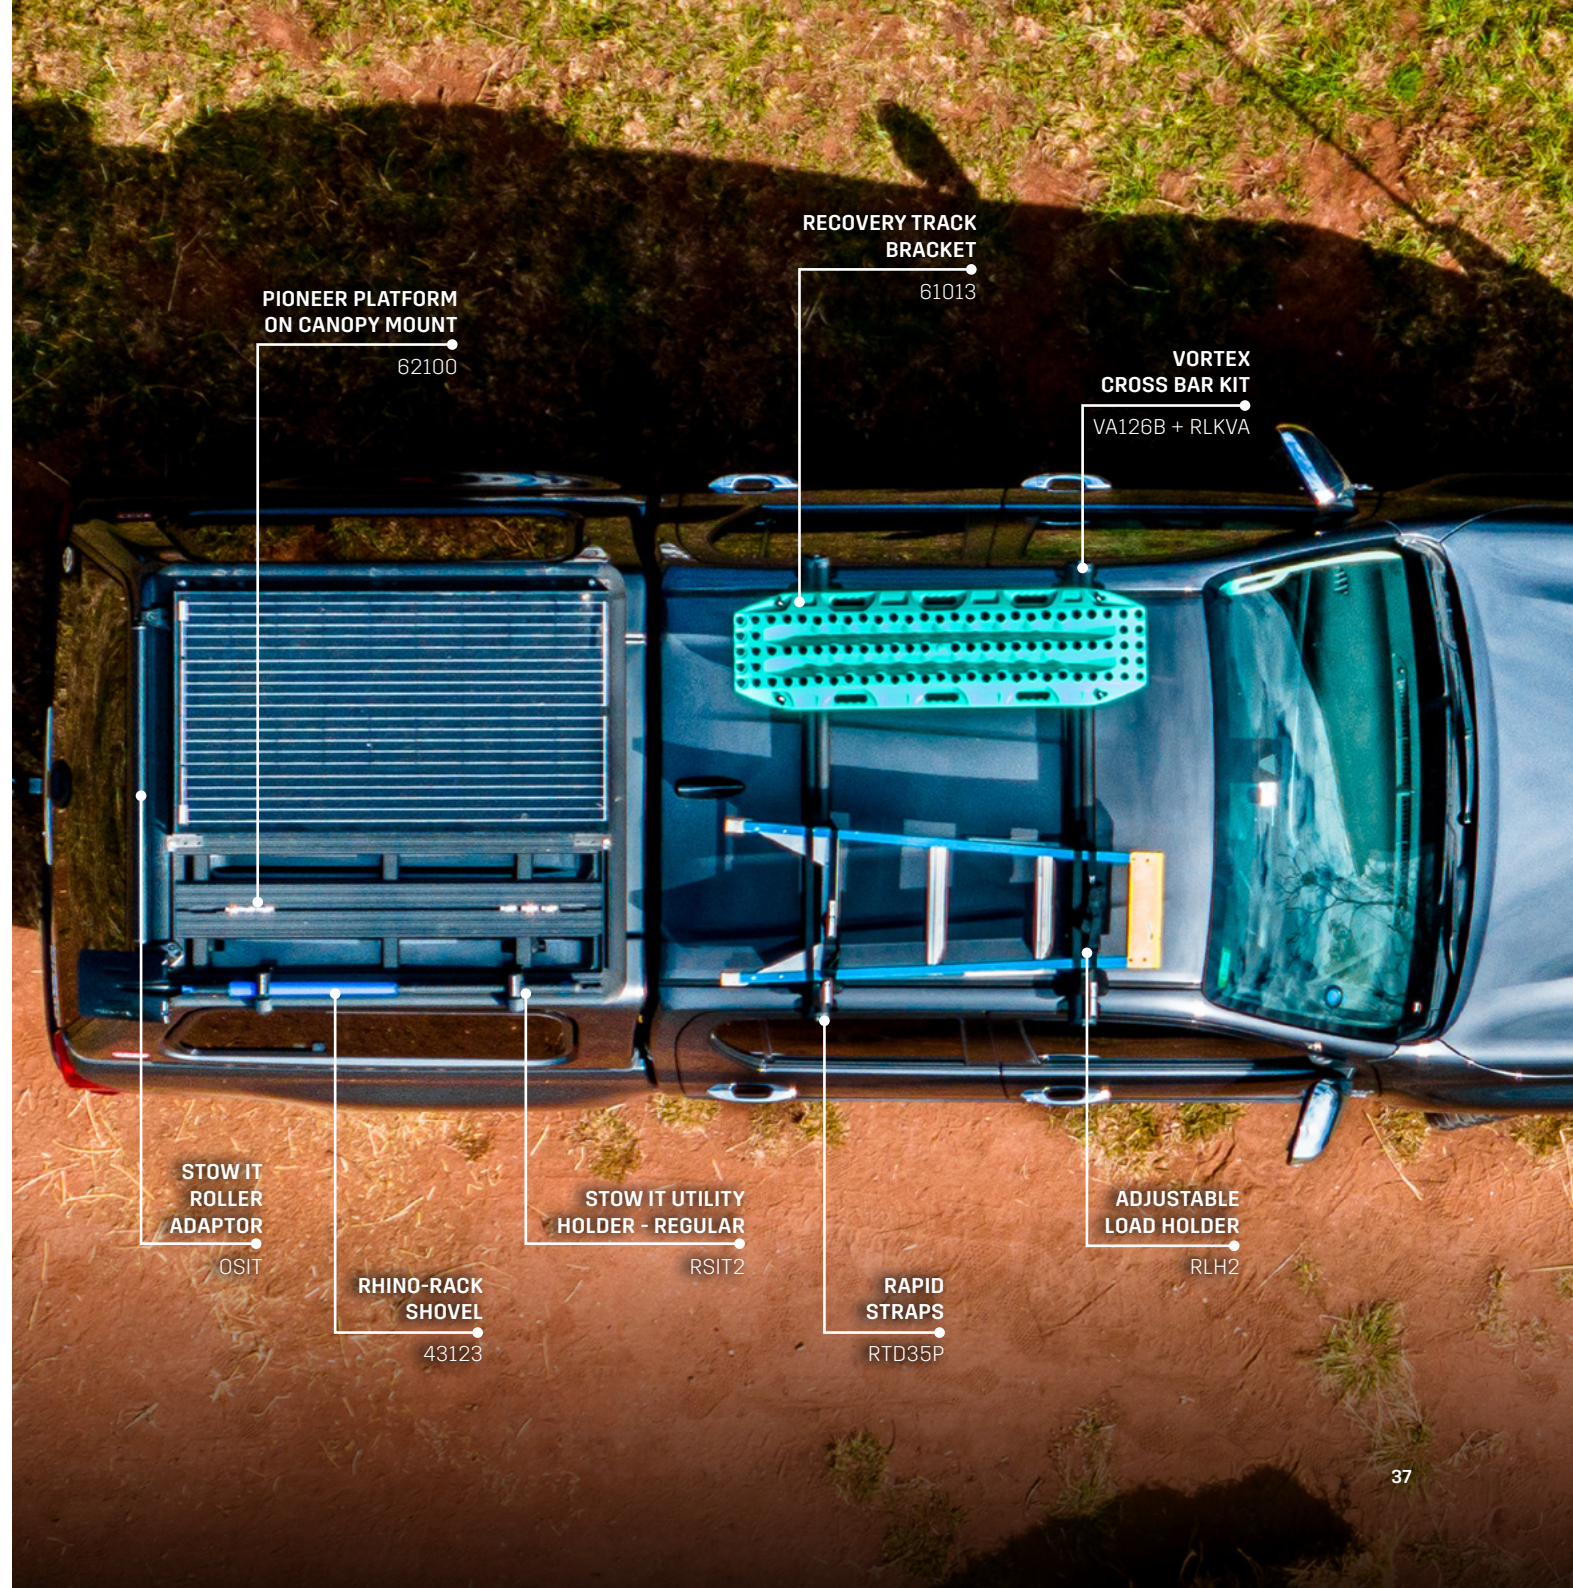

ESCAPE THE STRESS OF A LONG WEEK AND
TRANSITION YOUR VEHICLE SEAMLESSLY FROM
WORK TO THE WONDERS OF THE GREAT OUTDOORS.

PIONEER ROLLER SSIT+OSIT+LR880

This innovative roller is specifically designed to be fitted to the rear of a Platform or Tradie, running nearly the full width of the tray. It provides the perfect solution for effortlessly loading ladders, sheets of timber, and so much more. Whether you have a new tray or an older one, the Pioneer roller can be easily fitted or retrofitted, ensuring convenience for all.

ADJUSTABLE LOAD HOLDER RLH2

Designed to secure your load in position it doesn't slide in transit and has quick release over the centre cam for a simple adjustment. Suits Rhino-Rack Vortex Bars.

OUR PRODUCTS

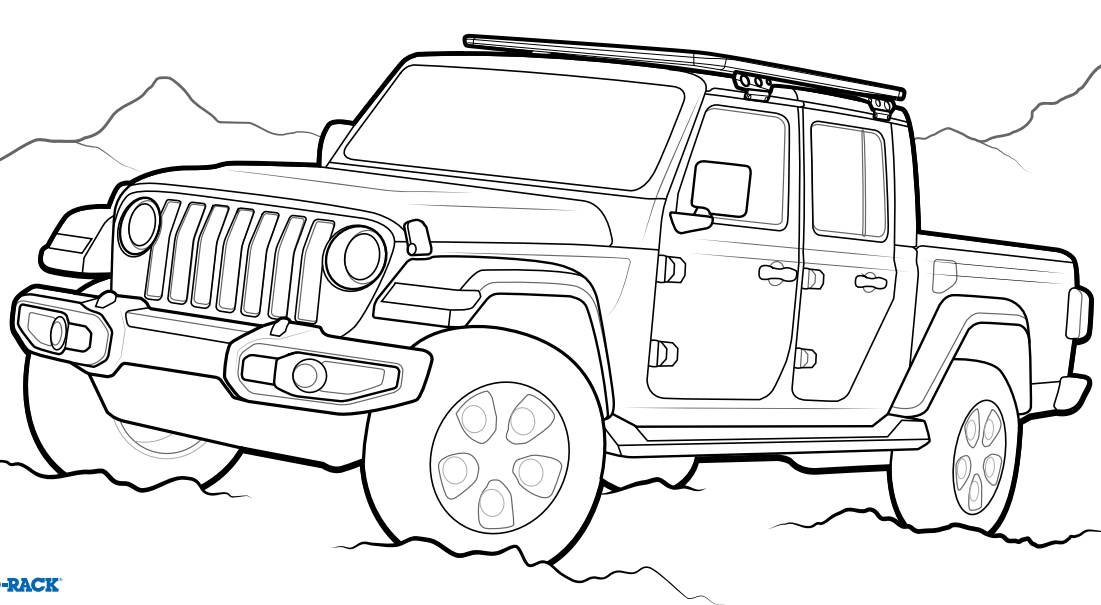

RHINO-RACK IS AN AUSTRALIAN COMPANY THAT DESIGNS AND MANUFACTURES INNOVATIVE, TOUGH, AND VERSATILE ROOF RACKS AND ACCESSORIES FOR A WIDE RANGE OF VEHICLES.

Our products are trusted by adventurers, tradespeople, and families all over the world to help them carry their gear safely and securely, no matter what the adventure.

**WITH THE PIONEER PLATFORM,
RHINO-RACK CHANGED THE WAY
YOU CARRY GEAR ON-ROAD AND
OFF-ROAD.**

From serious four wheel driving adventures to loading gear from the worksite or just making sure your sporting equipment arrives safe:

PIONEER GETS IT COVERED.

THE PIONEER™ PLATFORM, LEADER OF THE RACK.

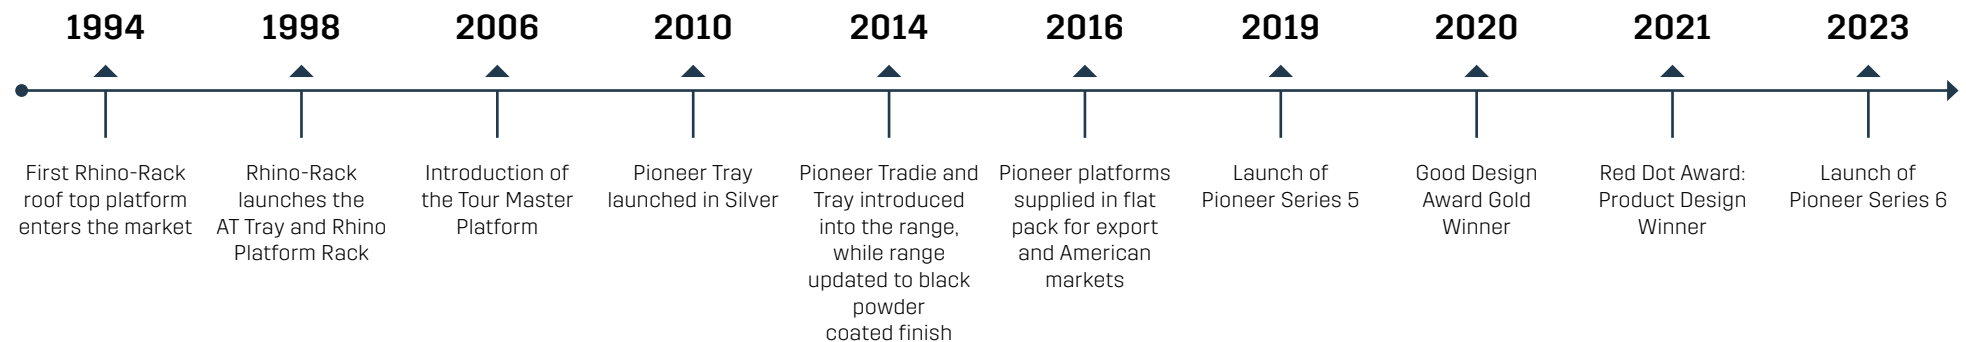

30
YEARS

BORN FOR THE TRAILBLAZERS, FORGED WITHOUT COMPROMISE, THE PIONEER SERIES 6 ROOF RACK ISN'T JUST AN EXTENSION OF YOUR VEHICLE – IT'S AN EXPANSION OF YOUR POTENTIAL.

Empowering adventurers from families to 4WD enthusiasts, water sports lovers to hard-working tradies, Pioneer Platform is the go-to setup for elevating your journey and storing gear with unmatched convenience.

Discover the power of Pioneer as a brand and product, designed to unlock the full potential of your adventures. Whether you're hitting the trails or cruising the waves, Pioneer Platform leads the way as the Leader of The Rack!

1994–2024 - 30 YEARS OF PIONEER

INTRODUCING THE ALL-NEW PIONEER™ SERIES 6

THE PIONEER SERIES 6 IS THE ULTIMATE ROOF RACK THAT EXPANDS YOUR ADVENTURES – NOT JUST YOUR VEHICLE'S CAPABILITIES.

Designed to be the pinnacle of engineering, the Series 6 is a leap ahead of our already impressive predecessors and challenges the boundaries of aerodynamics, physics, and durability.

The Pioneer Series 6 is our strongest and most versatile roof rack ever, yet it still boasts up to a 60% reduction in drag, a 20% reduction in weight, and 25% more usable channels – enabling every inch of the platform to be utilised for mounting accessories. Quieter and lighter than ever, our unique alloy components and scuff-resistant coating ensure there's no compromise on quality, allowing you to load more than ever before without sacrificing your gear for adventure. With integrated wiring capabilities, additional east/west mounting channels, and over 90 accessories for mounting everything from kayaks to fishing rods, the Series 6 makes you the Pioneer of your adventure.

THE STRONGEST AND MOST VERSATILE ROOF RACK

FEATURES

- Quietest & lightest Rhino-Rack Pioneer... Ever
- Up to 60% reduction in drag from its predecessor
- Stronger alloys that not only increase durability but reduce weight by 20% too
- No channel apertures make 100% of the platform usable for mounting accessories
- Improved performance with up to 25% more usable channels
- Our hardest coating ever, reducing damage and scuffs
- East/West mounting channels for more mounting options than ever before
- Integrated wiring capabilities within all extrusions
- Detachable wind fairing inserts in leading-edge further enhance drag reduction
- 90+ accessories for mounting everything from kayaks to fishing rods in seconds

PIONEER™ SERIES 6

RHINORACK.COM/PIIONEER

STRENGTH

Higher strength, lightweight alloys are used to maintain maximum carrying capacity.

NO TOOLS REQUIRED

Easy to remove corner covers provide quick and easy access to side, front and rear channels.

MOUNTING CHANNELS

Removal of channel apertures enables 100% of the platform useable for mounting accessories

Mounting channels in underbars for more mounting options (East/West).

AERODYNAMIC DESIGN

Leading edge profiles of underbars and front edge incorporate aerodynamic design.

WIND FAIRING

Detachable wind fairing inserts in leading edge further enhance drag reduction

RESISTANT

Harder coating aids in scuff resistance and damage due to objects being dragged over platform

A TAILORED SETUP FOR EACH ADVENTURE

THE PIONEER CONTINUES ITS LEGACY WITH COMPATIBILITY
AND INDUSTRY LEADING MOUNTING SYSTEM.

PIONEER | **BACKBONE**

YOUR ULTIMATE RIG

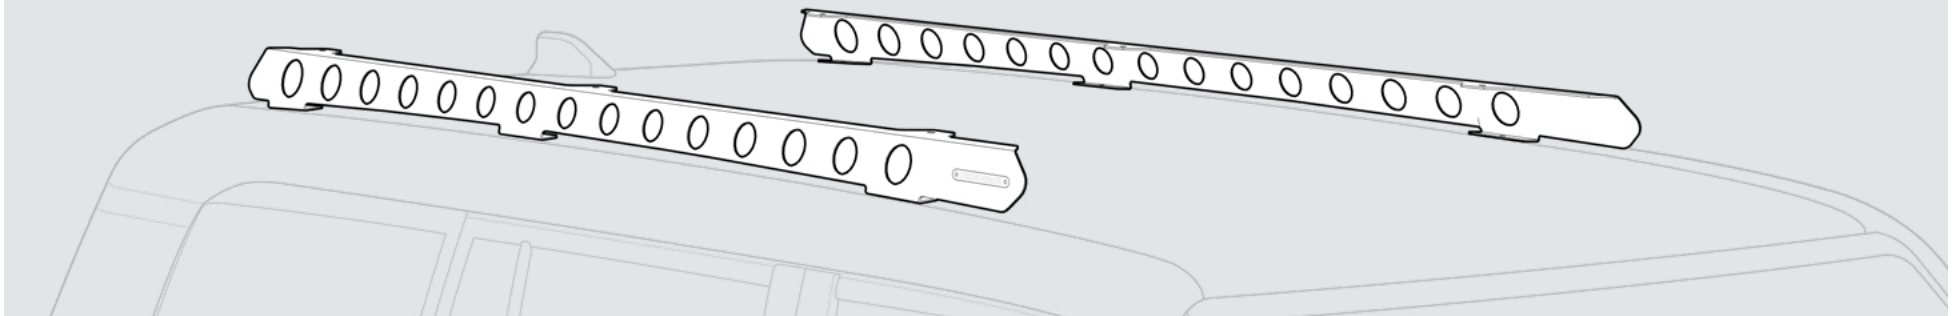

RHINO-RACK® BACKBONE

For unbeatable performance and looks, the Pioneer™ platform with a Backbone mounting system is the go-to for your ultimate rig! Backbone™ mounting systems are a vehicle specific solution. To find out if there is a Backbone solution for your vehicle go to page 130.

PIONEER MOUNTING SYSTEMS

A Pioneer™ mounting system generally consists of a platform and Backbone™ combination tailored to suit your vehicle's make and model. Depending on your roof type and your specific needs, you will be able to identify the mounting system options available.

To ensure we continue to offer our users the best solution on the market, Pioneer™ continues its legacy through its compatibility with our industry leading mounting systems. Please check your vehicle user manual for your vehicle's load carrying capacity.

GUTTERMOUNT BACKBONE

A first of its kind from Rhino-Rack, this Backbone utilises the factory gutters and mounts directly to them. Offering a well established and proven mounting solution for our iconic Pioneer Platforms. There are now 3 types of Guttermount Backbone:

LONG GUTTERMOUNT BACKBONE (FLAT) | RGMB1

Specifically designed around the Toyota 76 Series Landcruiser, this backbone offers a stylish and sturdy fit for your rack.

- Compatible with Pioneer Platforms and tested to ensure the you can carry your maximum roof payload on and off the road

SHORT GUTTERMOUNT BACKBONE | RTL4

Well known in the off-road community as the 79 Series Backbone, this Backbone now offers fits for a number of vehicles.

- Specifically designed to suit the Toyota Landcruiser Gutters, the first of its kind from Rhino Rack
- Utilises the factory gutters and mounts directly to them
- Offering a well-established and proven mounting solution for our iconic Pioneer Platforms

LONG GUTTERMOUNT BACKBONE (CURVED) | RGMB2

Although flat and curved long guttermount Backbones appear similar, there are key differences when it comes to the roof line of the vehicle.

- Developed for vehicles where the gutter on the vehicle has a slight curve along the length of the vehicle
- Engineered not only to look good, but to function hard
- Ensures your maximum carrying capacity is not compromised when going offroad

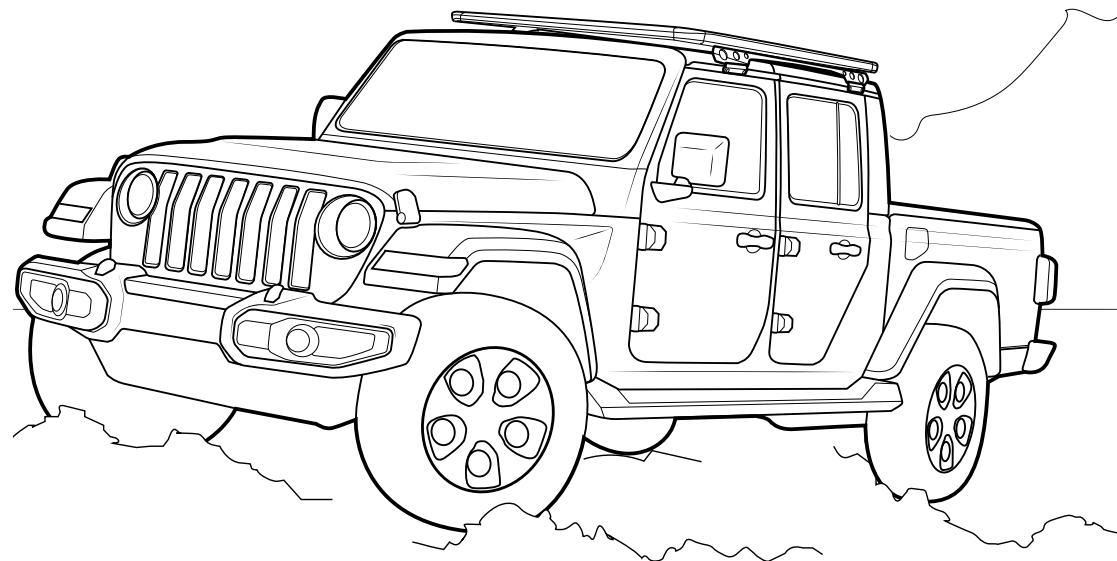

FOR SPECIFICATIONS, SEE PAGE 134

PIONEER OVERLANDING COMPLETE KITS

OVERLANDING KIT: A ONE BOX DIY SOLUTION.

This lightweight yet durable roof rack system for your vehicle features a solution that minimises added vehicle height and system weight whilst still maintaining durability for your roughest adventures. Combined with the DIY-friendly installation, the entire system is adventure ready for you to hit the tracks.

SUZUKI JIMNY OVERLANDING KIT | ROLS1

JEEP OVERLANDING KIT | ROLJ1

OVERLANDING KIT FOR P703 NEXT-GEN FORD RANGER AND NEW-GEN VOLKSWAGEN AMAROK | JC-01605

This Overlanding Kit has been designed to complement the much-anticipated Next-Gen Ford Ranger and Amarok.

'Built Rhino Tough' and vigorously tested to meet the needs of any adventurer, the Ford Ranger Overlanding kit includes the Rhino-Rack Backbone (RFRB3) paired with the all new Pioneer 6 Platform (62100).

THIS STYLISH DUO IS COMPATIBLE WITH THE:

- Ford Ranger XL, XLS, XLT, Sport, Wildtrak, and Raptor variants
- Amarok Core, Life, Style, Panamericana and Aventura variants

OVERLANDING KIT FOR MERCEDES-BENZ SPRINTER | JC-01936

Introducing the new overlanding kit for Mercedes-Benz Sprinter, designed as a base kit to allow the consumer to tailor their platform to support your adventure needs - whether that's trade, camping or long-haul overland adventure.

Contents include Backbone system, vehicle specific wind fairing and hardware kit included. Compatible with Recon-Deck Bars.

PIONEER FOR YOUR UTE TUB

THE RECONN-DECK™ UTE TUB SYSTEM WITH PIONEER HAS BEEN DESIGNED TO EASILY INCREASE YOUR VEHICLE STORAGE CAPACITY, SO YOU CAN MAKE EVEN MORE SPACE FOR ADVENTURE.

Compatible with the Pioneer accessory range, allowing you to easily swap accessories between ute and tub, providing a versatile ute tub solution to suit your adventure needs. The system for each vehicle has been rigorously tested to meet City Crash and ISO 11154 standards.

- Most versatile of the ute tub systems
- Quick and easy to install or dismantle (includes tools)
- Compatible with a huge range of Pioneer Accessories
- Accessories interchangeable with roof and Reconn-Deck Pioneer Platform
- Underside channels can be accessed to mount recovery tracks, shovel or other accessories

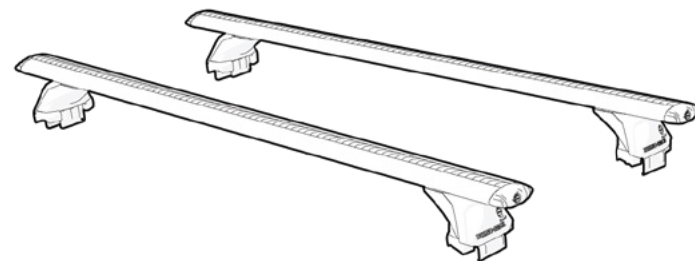

CROSS BARS

RHINO-RACK CROSS BARS: THE ULTIMATE FOUNDATION FOR YOUR NEXT ADVENTURE.

Whether you opt for the Vortex, Heavy Duty, or Euro bars, we've got the ideal cross bars to suit your needs. Our Cross Bars seamlessly accommodate a diverse range of accessories, ensuring you're well-equipped for any adventure.

WORLD CLASS SPORTZ SERIES RANGE

SPORTZ IS A RHINO-RACK LEGACY BRAND THAT HAS BEEN REINVIGORATED TO OVERHAUL AN EXISTING, COMPLEX CROSS BAR PROGRAM, TO CREATE A SIMPLIFIED SOLUTION.

The Sportz Cross bar program has been developed with DIY in mind, responding to the growing trend of people embracing DIY projects and seeking user-friendly options they can accomplish from home.

SPORTZ CROSS BAR

FLUSH

A flush system is both sleek and stylish in design where the cross rails do not overhang the mounts.

OVERHANG

An overhang system creates additional storage space where the ends of the cross rails sit further out than the mounts.

WHICH ROOF RACKS ARE RIGHT FOR YOU?

Scan the QR code or visit
rhinorack.com/roof

BARE ROOF MOUNTS

Clamp systems are designed for vehicle roofs that have no designated attachment points.

HEAVY DUTY 2500

The HD 2500 roof rack is secure, strong and trade ready.

ROC25 (FLUSH)

Both sleek and stylish in design, the ROC25 roof rack system is a perfect solution to carry all your gear.

VORTEX 2500

If you're after a roof rack that is adaptable, easy to use, strong and light, then the Rhino-Rack® Vortex 2500 roof rack is the ideal solution.

FIXED POINT MOUNT

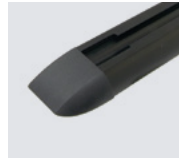

RTV TRACK

Universal tracks for vehicles. Sold as a pair and includes hardware and end caps.

RTS TRACK

Specialty tracks for vehicles. Sold as a pair and includes hardware and end caps.

RTC TRACK

Tracks for your canopy. Sold as a pair, including hardware and end caps.

RCH/RCL

The RCH Locking Legs are designed with a key locking system to reduce wind resistance and increase security. This unique design helps reduce noise without compromising durability and load carrying capacity.

LEG HEIGHTS. RCH 52MM/2.1" | RCL 37MM/1.5"

RV

The Vortex RV flush leg system can attach to Rhino-Rack tracks or in a fixed mounting position permanently anchored to your roof.

LEG HEIGHTS. RVH 65MM/2.5" | RVL 45MM/1.7"

RLTF/RLTP

The Rhino-Rack® RLTF/RLTP legs are attached to your roof via a set of mounting brackets or Rhino-Rack® tracks.

LEG HEIGHTS. RLTF 85MM/3.3" | RLTP 50MM/1.9"

FLUSH RAIL

A vehicle roof that features factory fitted solid rails can be easily identified if the rail has no air gap between the rail and the vehicle roof.

VORTEX SX - FLUSH (OVERHANG)

Designed to suit vehicles that feature solid rails. Easy to use, this leg includes security hardware to secure your racks. Compatible with Rhino-Rack® Vortex Bars.

LEG HEIGHT: 70MM / 2.8"

VORTEX RX200 - FLUSH RAIL

New to market, designed for quick and easy installation on vehicles with flush rails.

RAISED RAIL

A vehicle roof that features factory fitted raised rails can be easily identified if there is an air gap between the rail and the vehicle roof.

VORTEX SX - RAISED (OVERHANG)

Designed specifically for use with roofs that feature raised rails. Compatible with Rhino-Rack® Vortex Bars.

LEG HEIGHT: 55MM / 2.1"

STEALTHBAR (FLUSH)

Low profile roof rack system consisting of pre-assembled Vortex Bars ready-to-fit for vehicles with raised factory rails.

LEG HEIGHT: 35MM / 1.4"

VORTEX RX100- RAISED RAIL

New to market, designed for quick and easy installation on vehicles with raised rails.

GUTTER MOUNT

Some vehicles have integrated stripmoulds known as gutters where a roof rack system can be mounted offering an integrated look.

SG GUTTER MOUNT LEG

The Vortex SG roof rack system is the system of choice for Jeeps that have protruding side gutters and stylish flush bars with no overhang. They are easy to install, making them an ideal solution.

- Made for vehicles with protruding side gutters
- Features wind noise reducing VGS strips

LEG HEIGHT 110mm / 4.3"

RL GUTTER MOUNT LEG

The Rhino-Rack® RL Legs are specially designed heavy duty legs to fit to gutter mounts on a vehicle.

- Both Vortex and HD compatible with overhang bars.

LEG HEIGHTS 110mm / 4.3", 150mm / 5.9", 210mm / 8.3", 280mm / 11.0"

DITCH MOUNT

Ditch mount brackets attach to a vehicle using specialised fixed hardware to mount roof rack legs directly to a vehicle. Ditch mount systems offer a refined, robust fixing point to the vehicle without the need for clamps.

RVL/RVH LEG

We have updated our popular range of flush legs to a new low and high locking version and fits the VA bar extrusion. Ideal when used with the RCP-BK for flush bar surface mounts, RTV-BK for track mounts.

RVL 2,4,6 | RVH 2,4,6

QUICK MOUNT LEG

Designed to be fitted onto Rhino-Rack tracks with the ability for one person to easily remove the roof racks when they are not required using a simple trigger locking system.

RLT600 | RLT600H

RCL/RCH LOCKING LEG

Locking Legs are designed with a key locking system to reduce wind resistance and increase security. This unique design helps reduce noise without compromising durability and load carrying capacity.

RCL 2,4,6 | RCH 2,4,6

RECONN-DECK UTE TUB SYSTEM

CARRY MORE GEAR MORE EASILY.

The Reconn-Deck™ ute tub system is designed to easily increase your vehicle storage capacity, so you can make even more space for adventure.

The system for each vehicle has been rigorously tested to meet City Crash and ISO 11154 standards. The Reconn-Deck™ is our versatile ute bed system. Gain another level of space - perfect for your rooftop tent!

Featuring a modular design, the Reconn-Deck™ lets you create your own platform. There are countless ways to customise, accessorise and extend your set-up, giving you all the carry space you need for overlanding adventures.

STRONG AND DURABLE CROSSBAR WITH INTEGRATED CHANNELS

- Integrated channels on all four sides for easy mounting of accessories
- Available in different lengths to suit a range of vehicles
- Made from powder coated aluminium providing the ultimate in corrosion resistance
- Bar lengths: 1800mm/ 70", 1650mm/65", 1500mm/ 59", 1260mm/ 50", RDB180
- Available in black

RECONN-DECK™ RANGE

RECONN-DECK™ IS OUR MOST VERSATILE UTE TUB SYSTEM. CAREFULLY CRAFTED WITH A SLEEK AND RUGGED DESIGN THAT LOOKS STYLISH ON EVEN THE TOUGHEST UTES.

Featuring a modular design, the Reconn-Deck™ lets you create your own platform. There are countless ways to customise, accessorise and extend your set-up, giving you all the carry space you need for four-wheel driving adventures.

RECONN-DECK™ BARS

- Integrated channels on all 4 sides for mounting accessories
- Powder coated aluminium for corrosion resistance
- Compatible with most Rhino-Rack Pioneer and Stow It accessories.

RECONN-DECK™ WITH VORTEX BARS

- Value option for mounting rooftop tent
- C-channels to add range of accessories for all applications

RECONN-DECK™ BARS WITH NS BARS

- Create a customised Reconn-Deck™ platform
- Bars can be moved/spaced out to suit users specific needs
- Underside channels can be accessed to mount recovery tracks, shovel or other accessories

TUB MOUNT FITMENT

FOR UTE TUB FITS WHERE FACTORY RAIL SYSTEMS ARE NOT AVAILABLE. THE VEHICLE SPECIFIC FIT KIT HAS BEEN DEVELOPED TO ENSURE A PERFECT FITMENT REINFORCING THE TUB FOR SAFETY AND DURABILITY.

System rated up to 75kg on-road and off-road load rating* – all backed by City Crash testing to ensure ultimate off-road performance.

**TOYOTA HILUX
(SR5 & ABOVE)**

**FORD
RANGER PX**

* To get your cargo capacity, subtract the system weight from the system load limit. Manufacturers load limits apply. Visit rhinorack.com/loadrating to learn more

TRACK FITMENT

FOR UTE TUB FITS WHERE FACTORY OR CUSTOM-MADE RAIL SYSTEMS ARE AVAILABLE, TRACK NUTS HAVE BEEN DEVELOPED TO ENSURE QUICK AND SECURE FITMENT.

Simply slide the track nuts into the factory fitted tracks to create a mounting location for your towers. System rated up to 150kg on-road and off-road load rating* – all backed by City Crash testing to ensure ultimate off-road performance.

FEATURES

- System rated up to 150kg on-road and off-road load rating*
- Quick and easy to install or dismantle (includes tools)
- No drilling required, mounts directly to factory tracks
- Designed and engineered in Australia

**RAM
1500**

**JEEP
GLADIATOR**

**NISSAN NAVARA
PRO-4X**

* To get your cargo capacity, subtract the system weight from the system load limit. Manufacturers load limits apply. Visit rhinorack.com/loadrating to learn more

CANOPY RACK SYSTEMS

ROOF RACKS TO SUIT THE MOST POPULAR CANOPIES AND UTES ON THE MARKET.

Just because you have added a canopy on the back of your ute, it doesn't mean you can't add racks or trays to carry more gear.

Choose from our range of leg and bar options or select from our Pioneer™ range. We have all sorts of cleverly designed accessories, legs and spacers to ensure your load is level and safe.

To find the perfect fit for your canopy, visit rhinorack.com

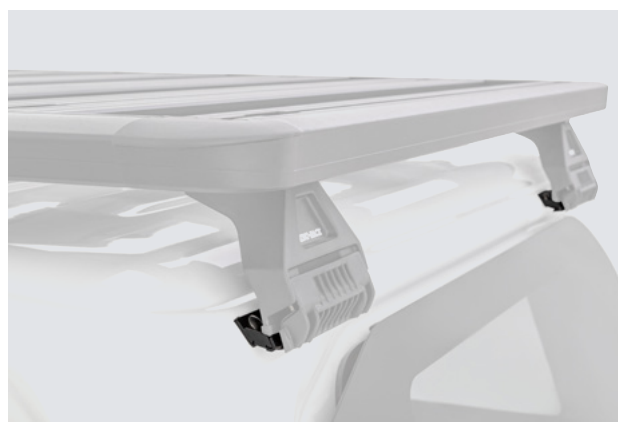

NEED TO LEVEL THINGS OUT?

Leg height spacers are perfect for creating more height or leveling your roof rack crossbars.

Rhino-Rack® offers a wide variety of leveling spacers that simply connect onto the leg. The spacers can range from 5-30mm in height and fit a wide variety of our legs. They also nest in one another to provide a seamless finish and style to the vehicle.

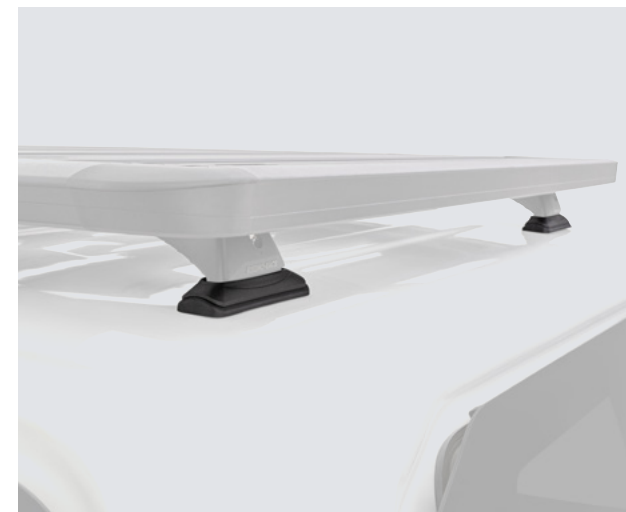

The roof of a vehicle, as in most cases, has a subtle or dramatic curve from front to rear. When fitting three or more roof bars to a vehicle there is the challenge of maintaining a level working surface. Roof bars that are not level cause serious problems when loading and unloading, as they do not distribute the weight evenly across the vehicle roof which can become a safety concern.

We have spacers to suit Vortex and Heavy Duty bars.

ARTIFICIAL GUTTER

An ideal product to mount roof racks to a range of canopies.

CANOPY MOUNT

For lighter load situations where utility posts are not required.

SPECIALISED CANOPY POST ADAPTOR

Use Rhino-Rack® Heavy Duty Bars and compatible VA and Pioneer™ accessories on ARB Ute Posts.

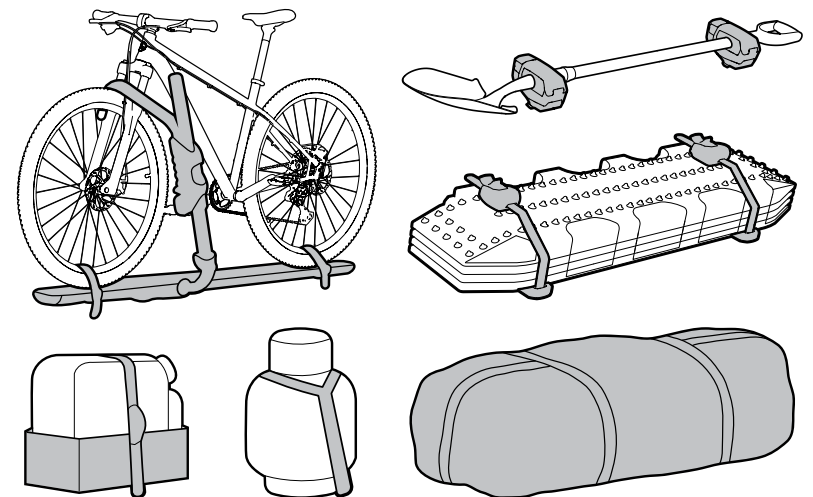

ADVENTURE EQUIPMENT

WHETHER YOU ARE LOOKING TO CARRY YOUR SPORT EQUIPMENT, CARGO BOXES OR AWNINGS, RHINO-RACK PROVIDES YOU WITH EASY, SAFE AND RELIABLE SOLUTIONS.

Discover a new realm of adventure with more space than ever before.

TAKE YOUR ADVENTURE TO THE NEXT LEVEL

NOTHING BEATS THAT FEELING WHEN YOU MAKE TIME AND SPACE IN YOUR LIFE FOR ADVENTURE. OUR HUGE RANGE OF ACCESSORIES ALLOW YOU TO BRING WHATEVER YOU NEED TO WHEREVER YOU'RE HEADING.

With our range of durable and easy-to-use utility holders, luggage boxes, bike and kayak carriers, load securing accessories and more, you can rely on Rhino-Rack to transform your vehicle for work, play, or anything in between.

Embracing innovation and pushing boundaries, we are determined to introduce cutting-edge products, our latest Zwifloc fastening system has revolutionised cargo transportation. This small but resourceful channel nut allows for compatible accessories to be placed anywhere on the channels without the need to move other accessories around providing you a quick and easy installation on the go. Compatible with all Pioneer systems and Reconn-Deck bars.

RHINO-RACK

SWAR

SPO

A man in a black tank top, camouflage shorts, and a cap stands on a grassy bank, fishing with a rod. To his left, the rear of a white SUV is visible. In the background, a calm lake reflects the sky, with a small dock and a dense forest of green trees on the far shore. The scene is framed by foliage on the right side.

SPORTS

KAYAK CARRIERS

NAUTIC STACK | S520

- Space conscious kayak loading option
- Holds up to 4 kayaks

NAUTIC SIDE LOADING KAYAK CARRIER | 570, 580

- Designed for side loading and comes with all the necessary accessories
- Universal (580) and Vortex Bar (570) fitments available, to suit a variety of hull shapes

- Includes universal inserts to carry multiple items such as fishing rods, spade and axe combination
- Can be mounted flat or hung from the side using the Stow It base bracket
- Compatible with Pioneer Platforms, Recon-Deck and Vortex Cross Bars

PIONEER™ FISHING ROD HOLDER BRACKET | 43159

- Mount the Fishing Rod Holder to the side of your Pioneer Systems at a 75 degree angle
- Compatible with all Pioneer Systems

STOW IT UTILITY HOLDER (REGULAR) | RSIT2

- Designed to provide the most secure load carrying solution for all shovels, spades, paddles, axes, fishing rods
- Compatible with Pioneer Platforms, Recon-Deck and Vortex Cross Bars

WATER ACCESSORIES

UNIVERSAL SIDE LOADER | USL

- Load your SUP, longboard, kayak, canoe or any other long load
- Easy to use, designed for single person operation

T-LOAD HITCH MOUNT | RTL002

- Easy to use, designed for single person operation
- Anti-swivel plate stops any sway

BONNET ANCHOR STRAP | RBAS, RAS

- Provides an anchor point for long loads when no other tie off points are available
- Can be used for either bonnet or boot

MULTI PURPOSE HOLDER | RMPHU

- Perfect for transporting fishing rods, ski poles and kayak paddles
- Universal fitment, compatible with most Roof Rack systems

WRAP PAD | RWP01, RWP03, RWP04, RWP05

Wraps around your Vortex bars for extra protection when loading and unloading your kayak/canoe/surfboard

VA UNDERSIDE TIE DOWN POINT | S606

- Prevents straps from loosening around your kayak/canoe/surfboard
- Creates secure tie down points for your straps and prevents tie down straps from slipping off your crossbars
- Vortex Bar Compatible

KAYAK BOW STRAP | RBAS1, RBAS2

- Secures your kayak in transit
- Includes a tie down strap with an anchor point strap designed to wrap around and protect kayaks or objects without a front or rear tie off point

PIONEER WRAP PADS | 43150

- Used to help secure and protect items such as kayaks, canoes, paddle boards, surfboards
- Compatible with Rhino-Rack Pioneer Trays, Tradies and Platforms

SKI & SNOWBOARD CARRIERS

SKI & SNOWBOARD CARRIER | 572, 573, 574, 576

- Available in 4 different sizes, sold in pairs
- Easy release and lock mechanisms for gloved hands
- Universal fitment, compatible with most Roof Rack systems

MULTI-PURPOSE HOLDER | RMPHU

- Enabled to fit two different orientations; lengthways and sideways
- Easy mounting options for your fishing rod, ski poles, kayak paddles and much more
- Universal fitment, compatible with most Roof Rack systems

REAR MOUNTED BIKE CARRIERS

SPARE WHEEL BIKE CARRIER | RBC025

- Bikes are secured by thick rubber straps
- Carries two bikes on the spare rear wheel
- Suitable for larger vehicles

TOWBALL MOUNTED BIKE CARRIER | RBC008

- Allows for up to 4 bikes to be safely secured and transported at the rear of your car
- Folds down for boot or hatch access

TAKE 2 HITCH MOUNT | RBC045

- Fits up to 2 bikes - 30kg total capacity and suitable for all bike sizes
- 2" hitch mount design with stabilisation system built in
- Compact storage and easy access
- Hitch mounted 4 Bike Carrier (RBC053) available

ROOF MOUNTED BIKE CARRIERS

PIONEER THRU AXLE BIKE CARRIER | 61018

- Attach a thru axle bike directly to your Pioneer 6 mounting system
- Includes 15mm x 100mm thru axle insert
- Additional insert sizes available

HYBRID | RBC050

- Multiple locking system keeps your bike and racks as secure as possible
- Ergonomically shaped handle with release trigger secures the bike without contact with the frame
- Fits most commercially available roof crossbars, and carries 20" kids' bikes to 29" mountain bikes, or up to 21kg/45lbs
- Suitable for larger vehicles

ROAD WARRIOR | RBC036

- Low profile, includes locks for added security, and easily adjustable locking skewer
- Suitable for 9-10mm front axles with 100mm hub spacing, and rear wheel strap fits all wheel dimensions
- Suits kids 20" bikes to 29" mountain bikes

BIKE CARRIER ACCESSORIES

BAR ADAPTOR | RBCA021

- Allows your rear mounted bike carrier to be used with oversized bike frames and some children's and women's bikes
- Quick and easy to install and remove

FAT BIKE ADAPTOR KIT (SUITS RBC050) | RBCA033

- Use in conjunction with the RBC050 Hybrid Bike Carrier
- Simple modifications equip the system to transport your Fat Bike

TECHNOLOGY

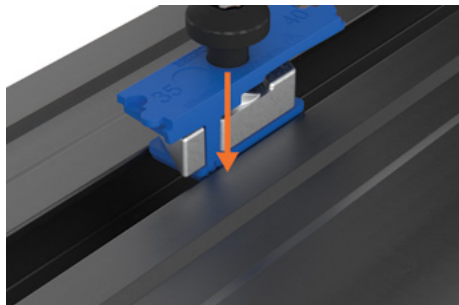

ZWIFLOC™

EASY & FLEXIBLE

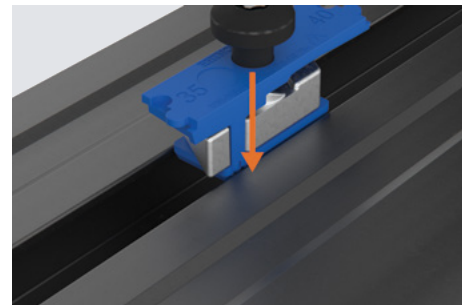

DROP IN ANYWHERE.

Our innovative Zwifloc™ fastening system allows compatible accessories to be placed anywhere on the channels without the need to move other accessories around.

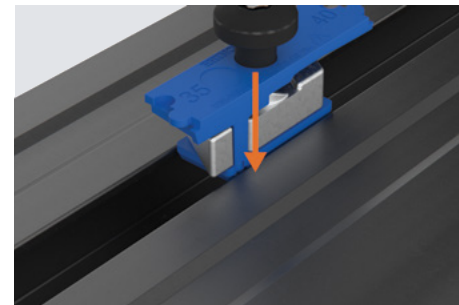

The patented Zwifloc™ hardware simply drops into the channel, so there is no need to position via a traditional channel aperture. Compatible with all Pioneer™ systems and Reconn-Deck™ bars.

Zwifloc™ simply drops into your Reconn-Deck bar or Pioneer, and sits flush within the channel.

Tighten the bolt to engage.

High tensile M6 nut rotates within the housing cage to lock in under the channel lip.

EYE BOLTS WITH ZWIFLOC™

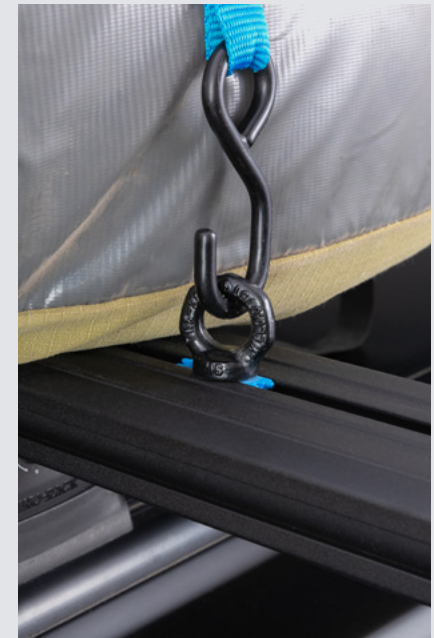

DROP IN ANYWHERE

The Eye Bolts with Zwifloc™ are designed to provide versatile tie down points for your Pioneer platform, Reconn-Deck or Vortex cross bars. The kit includes 4 Eye Bolts, each with the patented Zwifloc™ channel nut, which allows quick and easy installation anywhere without moving other accessories.

SIMPLY TWIST IN AND TWIST OUT

The patented Zwifloc™ channel nut gives you the flexibility to add, remove or reposition the Eye Bolts anywhere on a Pioneer platform or Reconn-Deck system.

Personalise your accessory layout. No need to slide the Eye Bolts into position or move other accessories around - simply place them wherever you need them to be.

channel nuts.

TECHNOLOGY

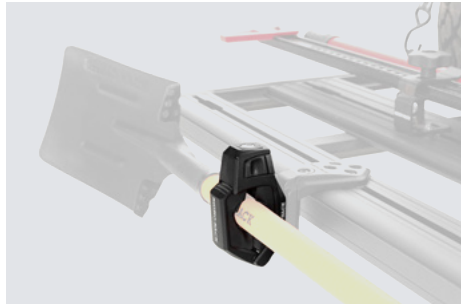

STOW it™

EASY AND MULTI-FUNCTIONAL

TO SUIT EVERY ADVENTURE.

Start your journey with the Stow It™ Base Bracket, which includes 2 Stow It brackets and Zwifloc™ hardware.

The Stow It Base Bracket mounts directly to your Pioneer Platform or cross bar and is the core of this mounting system, allowing you to easily change the adaptor to suit your accessory needs.

STOW IT UTILITY HOLDER (REGULAR) | RSIT2

The Stow It has been designed to provide the most secure load carrying solution for all shovels, spades, paddles, axes, fishing rods and more. The Stow It is compatible with Rhino-Rack's most popular systems - the Pioneer Platforms, Vortex & Heavy-Duty Cross Bars.

UNIVERSAL ADAPTOR | USIT

The Stow It universal adaptor is used in conjunction with the Stow It base bracket and is ideal for mounting a Sunseeker awning, the Stow It Utility Holder or any other applicable Rhino-Rack accessory to the side of your Rhino-Rack system.

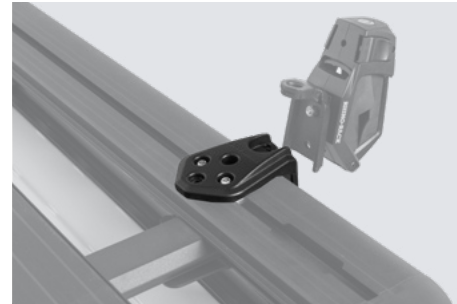

STOW IT AWNING ADAPTOR | BSIT

Mount your Rhino-Rack Batwing with ease using the Stow It Awning Adaptor. Suitable for most 270° awnings.

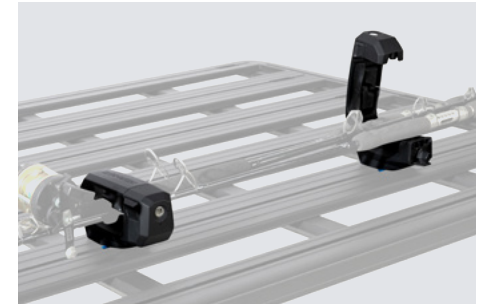

STOW IT LIGHT BAR ADAPTOR | ISIT

Allows you to mount your LED and light bars quickly to your Pioneer or cross bars. The adaptor is easy to adjust to different lengths.

STOW IT STARTER KIT | SSIT2

Simply fix the brackets to the perimeter channels of a Pioneer platform or Rhino-Rack cross bar, and you have the convenience and flexibility to add, remove or swap accessories with ease to suit your needs. Adaptors sold separately.

STOW IT UTILITY HOLDER (LARGE) | LSIT

The Stow It Utility Holder (Large) has been designed to provide the most secure load carrying solution for a high lift jack, or any other item too long to place in the vehicle. Allows you to carry more - two shovels, multiple fishing rods or a spade/axe combo. Compatible with Rhino-Rack's most popular systems - the Pioneer Platforms, Recon-Deck, and Vortex Cross Bars.

STOW IT ROLLER ADAPTOR | OSIT

The Stow It Roller Adaptor is easy to adjust to different lengths of rollers and is compatible with the Rhino-Rack range or LR rollers.

STOW IT RECOVERY TRACTION BOARD HOLDER | MSIT

Introducing the new Recovery Traction Board Holder, the perfect accessory for outdoor enthusiasts and off-road adventurers. The holder is designed to carry up to 4 recovery traction boards securely with a key lock mechanism. The holder is versatile and can be mounted horizontally or vertically on a Pioneer Platform, Reconn-Deck or Vortex Bars.

CARGO A

A man with a beard, wearing a blue jacket and a grey knit beanie, is standing on the roof of a white van. He is reaching up to adjust or secure a black roof rack. The background shows a clear blue sky and some trees on the right side. The text "ND BOXES" is overlaid in large white letters across the middle of the image.

ND BOXES

CARGO BOXES

PACK MORE. WORRY LESS.

Our all-new Cargo Case series, in Small and Large sizes, embodies our ethos of tough, outdoor-ready gear. The Small Case, a 48L rugged container, and the Large 94L Case with easy-glide wheels, both feature a robust, waterproof design. Equipped with padlock holes and an equalization valve, these cases are built to shield your essentials against the elements, ensuring secure, resilient storage for any adventure.

CARGO BOX - SMALL | 61028

- Waterproof and dust tight design
- Padlock holes
- Impact resistance
- Drilling template and mounting hardware included
- 48L capacity
- 5.3kg weight

CARGO BOX - LARGE | 61029

- Waterproof and dust tight design
- Padlock holes
- Impact resistance
- Drilling template and mounting hardware included
- 94L capacity
- 8.9kg weight

CARGO CARRIERS

OUR RANGE OF TRAYS AND MESH BASKETS ARE A CROSS BAR SOLUTION FOR CARRYING YOUR LUGGAGE.

STEEL MESH PLATFORM | RPBS, RPBH, RPBL, RPBH

- Simple to install and remove the Mesh Platform is the quick option for a road-trip or when transporting any gear
- Available in a number of different sizes for all your storage needs

XTRAY SMALL/LARGE | RMCB01/02

- The perfect solution to make sure you never have to leave an essential item at home
- The XTray comes complete with a universal attachment system to fit Rhino-Rack Vortex and Euro bars, along with most other cross bar brands

STEEL MESH BASKET | RLBS, RLBL

- The basket design allows you to easily secure rounded cargo to the raised side rails. Simple to install and remove
- Comes in a range of sizes for all your needs

LUGGAGE NET SMALL/LARGE | RNL1/2

- The Luggage Net is an accessory designed to be used with Rhino-Rack Steel Mesh Baskets and Tie-Down Straps
- Easy fitting for quick loading and unloading

ROOF BOXES AND LUGGAGE BAGS

THE RHINO-RACK WEATHERPROOF LUGGAGE BAG IS THE IDEAL SOLUTION FOR CARRYING YOUR BULKY LIGHT WEIGHT GEAR WHILE ON THE ROAD.

Constructed using tear resistant 500D High-End poly canvas material – not only is it waterproof but it will also protect your gear from all manner of harsh weather conditions. With a Rhino-Rack® MasterFit roof box you can conveniently carry more, with up to 75kg/165lb capacity. Outback proven and built Rhino tough, for all your adventures!

WEATHERPROOF LUGGAGE BAG | LB200, LB250, LB350, LB500, LB600

- The ideal solution for carrying your bulky light weight gear while on the road
- Constructed using tear resistant 500D high-end poly canvas material – not only is it weatherproof but it will also protect your gear from all manner of harsh weather conditions
- Available in five sizes; 200L, 250L, 350L, 500L and 600L
- Compatible with Pioneer Systems or Cross Bar when using a basket

ROOF BOXES | RMFT370A, RMFT410A, RMFT530L

- Conveniently carry more with up to 75kg/165lbs capacity
- Sleek and aerodynamically designed to reduce wind drag
- Available in a variety of sizes 370L, 410L and 530L
- Compatible with Pioneer Systems when using an accessory bar or direct to Cross Bar

CAM

A man with a grey beard and a wide-brimmed hat stands in a grassy field at sunset. He is holding a shovel with a blue handle that has the word "TRACK" on it. To his left is a campfire with bright orange flames. In the background, there is a white tent, a white car, and a large tree. The sky is a mix of orange and blue.

PING

ROOFTOP TENTS

ELEVATE YOUR ADVENTURE

Our all-new rooftop tent collection is as tough as trails, but as comfortable as home. The Hard Shell model combines a robust, weather-resistant design with a luxurious 70mm high-density foam mattress, while the Soft Shell provides lightweight versatility without compromising on strength and comfort. Both rooftop tents boast easy installation and are designed to elevate your outdoor experiences, ensuring you're well-rested and ready for whatever adventure lies ahead.

HARDSHELL ROOFTOP TENT | 61002

- Integrated Mounting Channels to carry up to 20kg of gear on top of the hardshell
- 70mm high density mattress
- Bedding can be stored inside tent during transit and storage
- 63kg weight

SOFTSHELL ROOFTOP TENT | 61026

- Awnings over doors provides good ventilation in all weather conditions
- 40mm foam mattress
- 43.5kg weight

AWNINGS

ENJOY THE SHELTER AND SHADE OF RHINO-RACK AWNINGS.

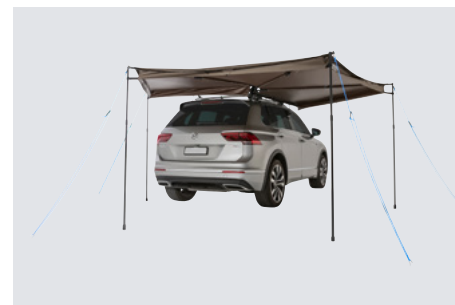

The Sunseeker and Batwing awnings are both constructed from the same high quality materials, with a range of sizes to suit small, medium or large vehicles.

Extend your awning or create a fully enclosed outdoor living room with walls, extensions and floors compatible with the Sunseeker and Batwing awnings.

BATWING AWNING (RIGHT) WITH STOW IT | 33115

- Mounts to the right side of the vehicle and when opened, extends 2.5m/98" out from the edge of the vehicle and wraps around the rear providing 270 degrees of cover

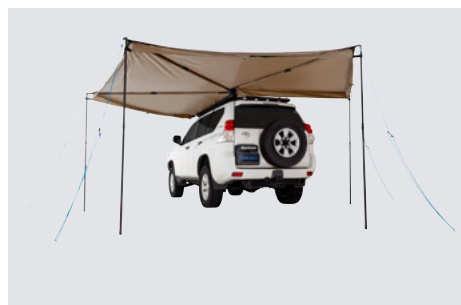

BATWING COMPACT AWNING (RIGHT) WITH STOW IT | 33117

- Mounts to the right side of the vehicle and when opened, extends 1.9m/75" out from the edge of the vehicle and wraps around the rear providing 270 degrees of cover

SUNSEEKER 2.5M AWNING WITH STOW IT | 32140

- Extends 2.5m/98" from the edge of the vehicle providing quick and easy 5m²/53ft² coverage whenever you need it

BATWING AWNING (LEFT) WITH STOW IT | 33114

- Mounts to the left side of the vehicle and when opened, extends 2.5m/98" out from the edge of the vehicle and wraps around the rear providing 270 degrees of cover

BATWING COMPACT AWNING (LEFT) WITH STOW IT | 33116

- Mounts to the left side of the vehicle and when opened, extends 1.9m/75" out from the edge of the vehicle and wraps around the rear providing 270 degrees of cover

SUNSEEKER 2.0M AWNING WITH STOW IT | 32139

- Extends 2m/78" from edge of vehicle providing quick and easy 4m²/43ft² coverage whenever you need it

DOM 1300 AWNING WITH STOW IT | 32141

- Mounts to the side or rear of the vehicle and when opened provides extra height (over a standard awning) with its innovative pop up design

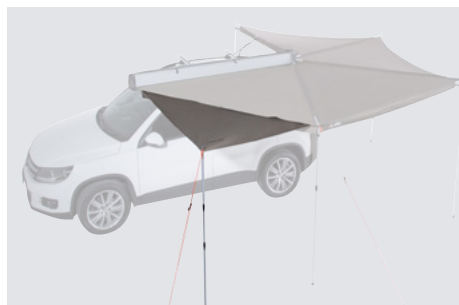

AWNING ACCESSORIES

CREATE YOUR HOME AWAY FROM HOME.

Rhino-Rack accessories provide numerous options to enhance the functionality and adaptability of your awning.

A diverse array of compatible add-ons, such as extensions, sidewalls, and sand screws. Among the especially useful accessories for the Batwing Awning are the Tapered Zip Extension and Tapered Extension With Door. These additions enable you to enclose your shaded space, offering both privacy and protection from the elements.

BATWING FRONT EDGED ZIPPERED INSERT | 31124

- Squares off the front edge of the Batwing for extra shade
- Also features our new improved pole with the unique twin peg base and hook top pin
- Compact and simple to carry and store

BATWING/SUNSEEKER AWNING EXTENSION | 33111, 33112, 31101, 31113, 31101

- Attaches to each side of Batwing/Sunseekers, allowing for full enclosure, or open to allow light and breeze through
- Tapered extension piece for Batwing/Sunseeker and secure to the ground at an angle
- Waterproof and tear resistant zipper and velcro tabs on each side allow for multiple extensions to be joined together

SUNSEEKER AWNING SIDE WALL | 32112

- Add an extra 2m x 2m of coverage and enjoy the extra shade and privacy

SUNSEEKER 2.0M AWNING EXTENSION | 32111

- Extra cover to your Sunseeker 2.0 Awning

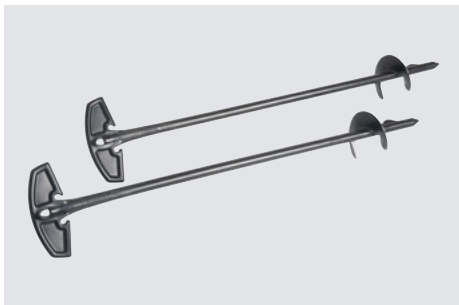

SUNSEEKER EXTENSION ADAPTOR | 32106

- Heavy duty zipper that connects easily to the Sunseeker 2.5 Awning (32105) allowing you to attach an Awning Extension accessory (31101)

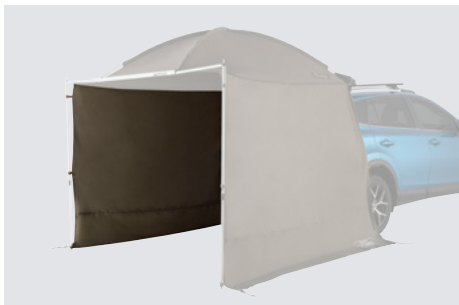

BATWING MESH FLOOR SAVER | 31115

- Made from a Polyethylene mesh cloth, for dirt and sand free floors, is cut to perfectly mirror the shape of your Batwing Awning

RHINO SAND PEG | 31113

- Suitable for both sand and outdoor environments and perfect for environments where other tent pegs fail to hold
- Easy to remove
- Makes your tent and awning more secure in windy conditions

SIDE WALL DOME 1300 | 32131

- Provides an additional 2m x 2m of additional coverage
- Can be pitched at an angle or straight to the ground

A photograph of a dirt road winding through a dense forest. Sunlight filters through the trees, creating a warm, golden glow. The road is in the foreground, leading into the distance. The trees are tall and thin, with green and yellow leaves. The overall scene is peaceful and scenic.

ACCESS

A silver Land Rover Defender is parked on a dirt road in a forest. The vehicle is loaded with outdoor gear, including a blue kayak, a blue inflatable raft, and a white paddle on the roof rack. A spare tire is mounted on the back. The word "SORIES" is overlaid in large white letters on the left side of the image.

SORIES

ACCESSORIES

- Fits neatly into the C channel of your Vortex cross bars or Pioneer Series 6
- Compatible with all Pioneer systems and Vortex bars

SPARE WHEEL STRAP | 61019

- Spare wheel strap designed to securely fasten your wheel to your platform
- Compatible with Pioneer 6

SINGLE JERRY CAN HOLDER | 61005

- The innovative design can be adjusted to carry one jerry can in a vertical or horizontal orientation
- Compatible with all Rhino-Rack Pioneer Platforms

CAM BUCKLE PIONEER PICKUP KIT | 61001

- Allows you to strap down items to your Pioneer system very quickly and easily as the cam buckle straps come with loops on the end
- Compatible with Pioneer Series 6

PIONEER CARGO CORNER BRACKET KIT | 43256

- Designed to provide users with a secure and adaptable anchor point for large bulky items
- This is only compatible with Pioneer Series 4 and 5

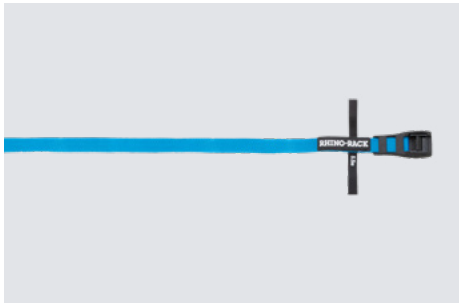

PIONEER GRAB HANDLE X2 | 61003

- Designed to aid in loading, unloading and securing your gear on to your Rhino-Rack Pioneer System
- Compatible with Rhino-Rack Pioneer Trays, Tradies and Platforms

PIONEER TIE DOWN POINTS WITH ZWIFLOC™ (4) | 61022

- The Tie Down Points feature a stylish loop design that is a perfect anchor for securing your gear

RAPID STRAP | RTD35P, RTD45P, RTD55P

Suitable for heavy duty use and designed to prevent denting, scratching or marking any of your gear or vehicle with a maximum lashing capacity of 225kg / 496lb

- RTD35P - 3.5M/137.8"
- RTD45P - 4.5M/177.2"
- RTD55P - 5.5M/216.5"

GAS BOTTLE HOLDER 4.0KG | 61007

- Designed to securely fit most 4.0L gas bottles on the market
- Compatible with Pioneer Series 6

EYE BOLTS WITH ZWIFLOC™ (4) | PEB

- Designed to provide versatile tie down points for your Pioneer platform, Recon-Deck or Vortex cross bars - which allows quick and easy installation anywhere without moving other accessories
- Compatible with Pioneer Series 6

OUR COMMITMENTS

UNWAVERING COMMITMENT TO SAFETY AND QUALITY

At Rhino-Rack, we are committed to educating our customers on the safe use and enjoyment of our products. Our products undergo rigorous crash testing and vehicle load rating, ensuring durability and reliability. We take the safety of our customers, and others on the road, as our number one priority.

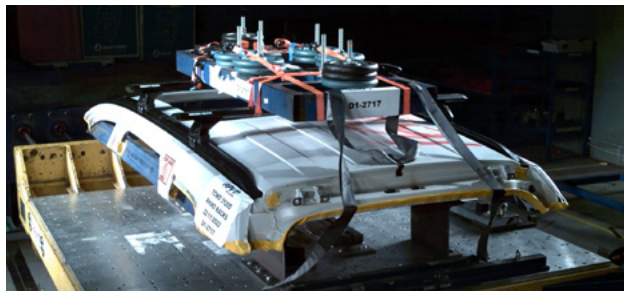

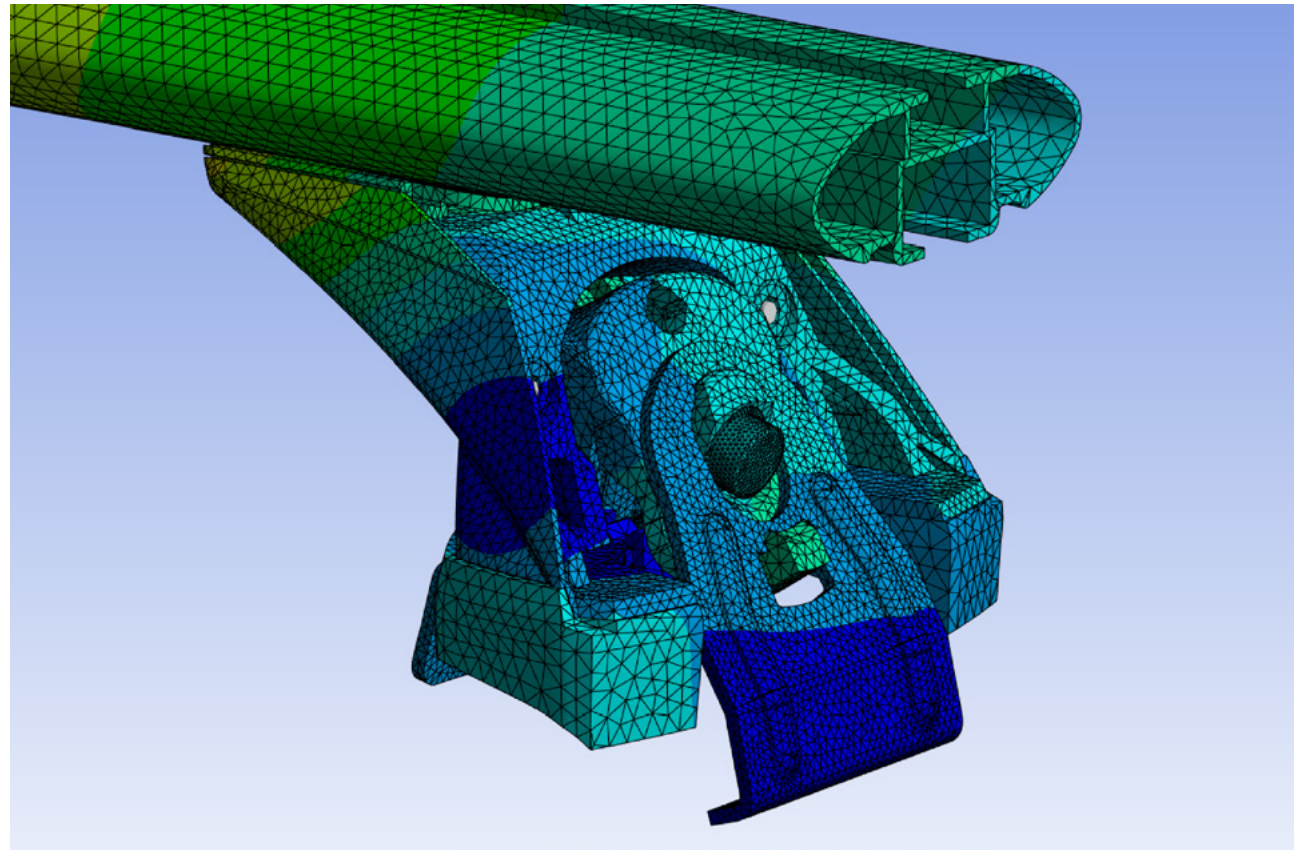

CITY CRASH TESTING

AT RHINO-RACK, OUR TOP PRIORITY IS TO ENGINEER PRODUCTS OF THE UTMOST QUALITY TO GUARANTEE YOUR SAFETY AND SATISFACTION.

We subject all Rhino-Rack products to rigorous safety standards testing, adhering to the ISO standard. This includes comprehensive City Crash Testing to ISO11154 and Static Load Testing to ISO11154.

We also put our prototypes to the test in real-world Aussie conditions, experimenting with functions that enhance the safety, ease of use, and overall enjoyment of our equipment.

Rest assured, we go the extra mile to ensure that our products meet and exceed your expectations.

VEHICLE LOAD RATING

IT IS VITAL FOR YOU TO UNDERSTAND THE CAPACITY OF YOUR VEHICLE'S ROOF, TUB, AND STORAGE SOLUTIONS. WE HAVE DEVELOPED A COMPREHENSIVE LOAD RATING CALCULATOR TO HELP YOU UNDERSTAND YOUR LOAD RATING.

There are three load ratings that apply in different situations. These are:

- **ON-ROAD** refers to the load rating of a vehicle when traveling on a sealed road
- A **STATIC** rating is the load rating of a stationary vehicle and is necessary if you're using, for example, a rooftop tent
- The **OFF-ROAD LOAD** rating refers to a vehicle traveling on an unsealed road that does not contain a surface protection layer. Sometimes manufacturers will list the load ratings in the vehicle owner's manual, however, you can calculate the off-road load rating yourself using the formula provided in your product fitting instructions.

It is important to remember the on-road rating does not take into consideration the weight of the roof racks. According to our instructions, the on-road rating + weight of the racks is called roof allowance. But remember, if you buy an accessory or holder and attach it to your rack or tray, you must also include the weight of these items in the load.

It is very unsafe to overload your vehicle. Failure to follow the load ratings in each circumstance could result in damage to your vehicle, potential loss of your load, voiding warranty or insurance, or cause traffic accidents. It's illegal to overload your vehicle.

To get started calculating your load rating, you'll need to make note of your vehicle's load rating from your vehicle owner's manual as well as the Rhino-Rack roof rack system you have installed on your vehicle. Once you have this information you can begin by entering your vehicle details into the load rating page at our website.

STATIC

When the vehicle is parked or stationary

ON-ROAD

Driving on paved or sealed roads

OFF-ROAD

Driving on unsealed or dirt roads

OUR FITMENTS

**DISCOVER THE PERFECT STORAGE SOLUTION
TAILORED TO YOUR VEHICLE'S NEEDS.**

From versatile roof systems to robust canopies, efficient van setups to lid/roller shutter solutions, and rugged ute tub accessories, we offer a wide range of fitments to ensure your gear travels with you securely and stylishly.

FIT FOR YOUR ADVENTURE

FINDING THE RIGHT SOLUTION HAS NEVER BEEN EASIER.

Take your adventures to the next level with Rhino-Rack! Our revolutionary systems mean that you can maximise your vehicle's roof, canopy, van, roller shutter or ute tub storage without compromising on safety, security and fun.

Browse our range to see what will best suit your vehicle and needs at rhinorack.com/roof. You'll find a system that will specifically fit your vehicle, with a range of accessories that will make every trip easier – leaving you more time to make space for adventure.

From there, you can see all retail prices & dive into specifications, features, & benefits with installation instructions included. You can also add products to your wish list and email a friend or your local Rhino-Rack dealer rhinorack.com/where-to-buy
