**JAXBASE (BLACK)**

**x1** MTXJXBBK

**OR**

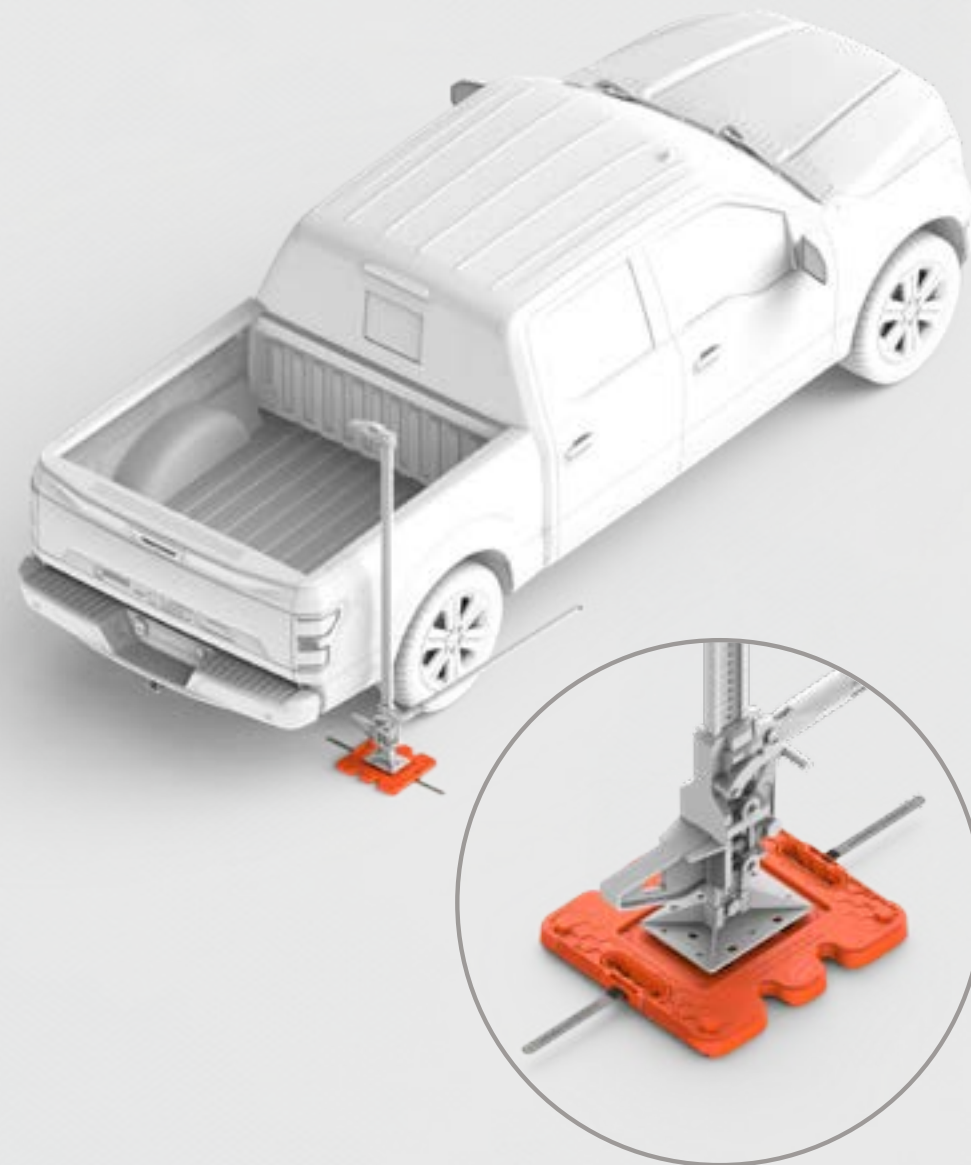

**JAXBASE (SIGNATURE ORANGE)**

**x1** MTXJXBSO

## INSTRUCTIONS

### 6 TONNE CAPACITY

**JaxBase plate** has undergone testing and is rated for lifting loads up to **6 tonnes**.

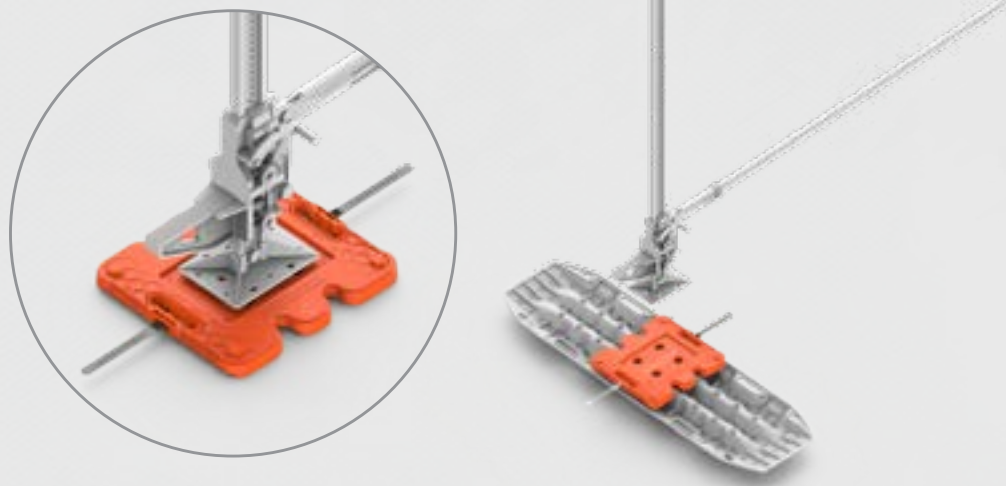

# USAGE INSTRUCTIONS

## EXTREME TERRAIN

For use on soft terrain, pair the **JaxBase** plate with **recovery boards** to increase stability and distribute weight more effectively. When used in combination with recovery boards, the **JaxBase** plate is rated to support up to **6 tonnes**.

## STORAGE

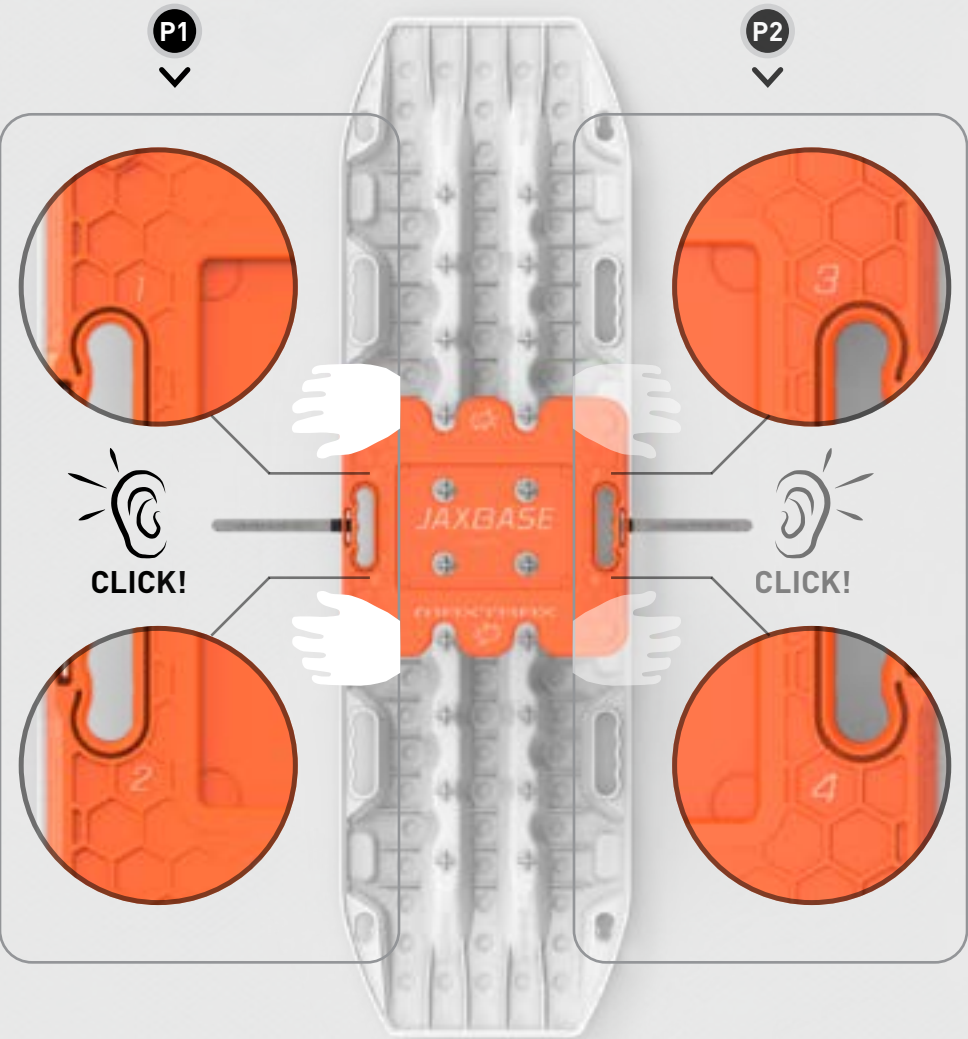

The **JaxBase** plate is stored on the underside of the Maxtrax boards.

# STORAGE INSTRUCTIONS

## BOARD INSTALLATION

Press down firmly on the corners closest to points **1 & 2** until you hear a **click**.   
Repeat the process for points **3 & 4**.

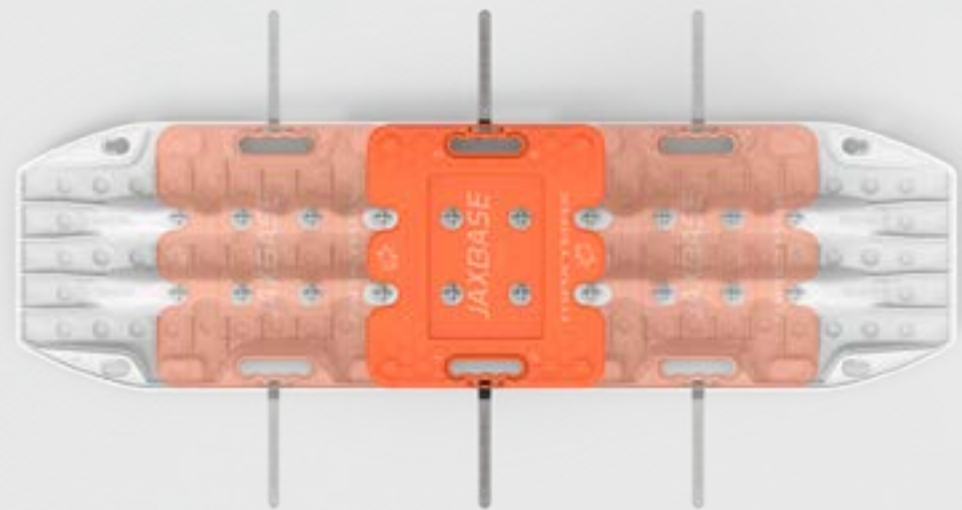

**NOTE:** Velcro straps can be wrapped around the handle for extra security.

# STORAGE INSTRUCTIONS

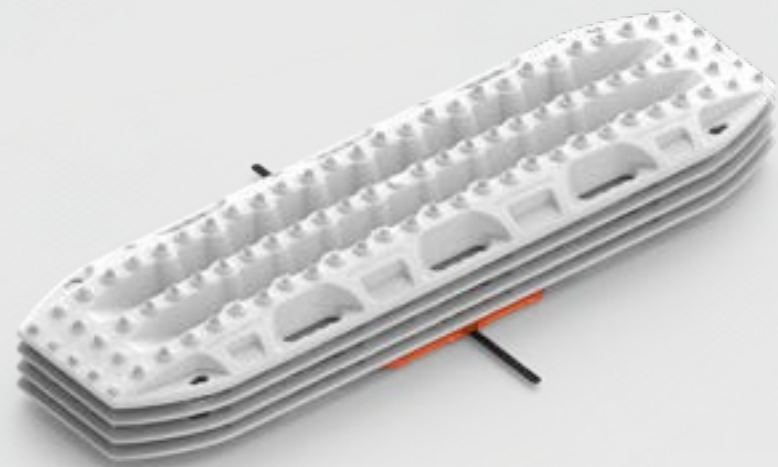

## FLEXIBLE ATTACHMENT

Clip the **JaxBase** plate into the provided locations. For full compatibility with mounting accessories, the centre position is recommended.

## STORAGE

Easy integration with typical storage systems.

INFORMATION

## CARE & MAINTENANCE

The components of the JaxBase plate are built to a high standard, but due to the nature of their intended use, they may be subject to wear, abrasion, or damage such as cracks, deformation, warping, or surface degradation. To maximize the lifespan of the JaxBase Plate, rinse thoroughly with fresh water after use, especially if exposed to mud, sand, or salt water. Store the JaxBase Plate out of direct sunlight and extreme weather conditions when not in use.

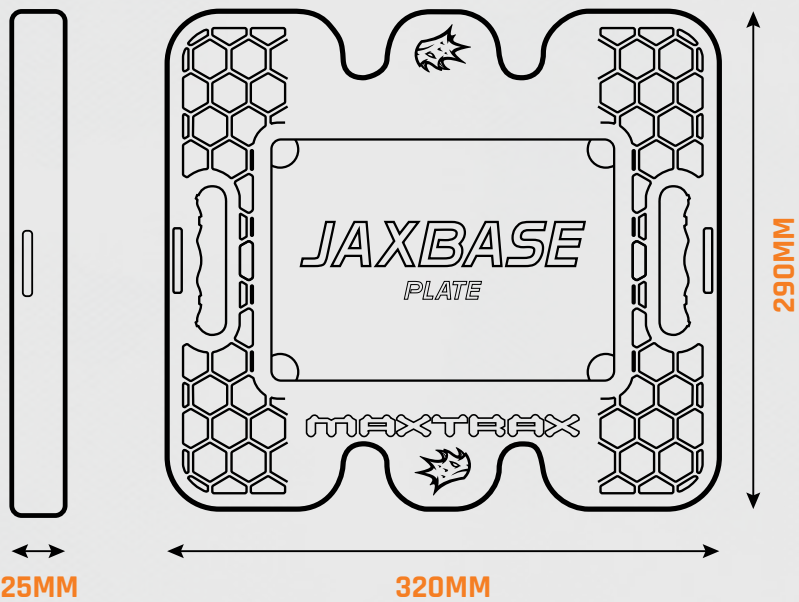

## SAFETY RECOMMENDATIONS

The JaxBase plate is designed specifically for use as a support base during vehicle recovery. Do not exceed the recommended weight capacity. Always ensure the plate is positioned on a flat, stable surface before applying any load. Exercise caution when working around a lifted vehicle, as improper setup may result in instability.

## WARRANTY

Maxtrax JaxBase plates come with a 12 month warranty against manufacturing defects, subject to stated limitations. Proof of purchase is required for any warranty claims. Read full details online at [maxtrax.com.au/pages/warranty](https://maxtrax.com.au/pages/warranty)
