***ALL-TERRAIN
RECOVERY SHOVEL***

INSTRUCTIONS

DESIGNED & TESTED IN THE AUSTRALIAN OUTBACK

All-Terrain Recovery Shovel

MTXIATRS

COMPONENTS

All components are **pre-assembled** and packaged in the correct position for easy installation.

SHOVEL HANDLE
x1

SHOVEL BRACKETS
x2

EXTENSION POLE
x1

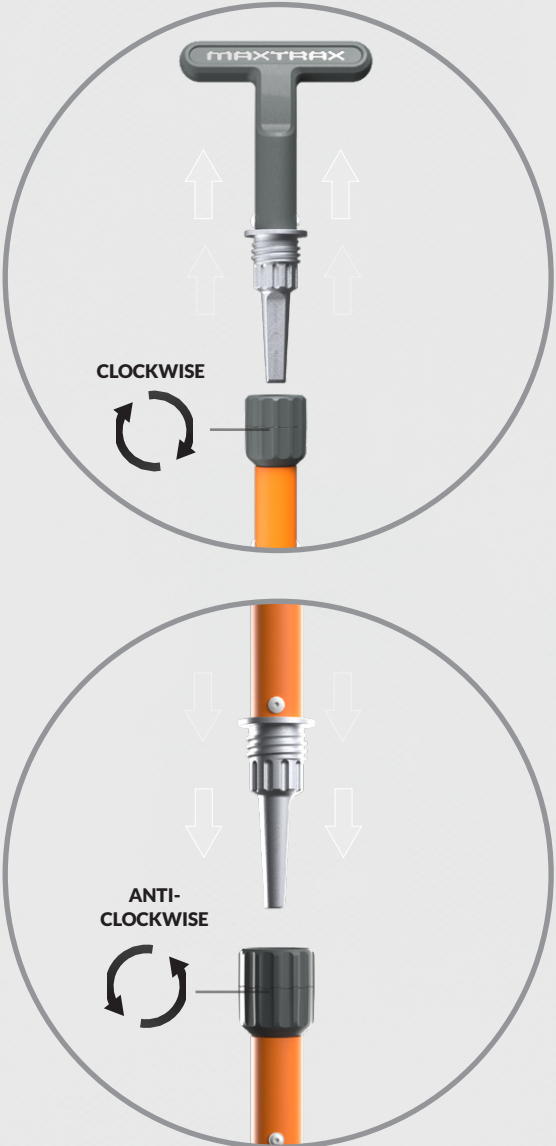

BASE SHOVEL
x1

USAGE INSTRUCTIONS

CONFIGURE SHOVEL STYLE

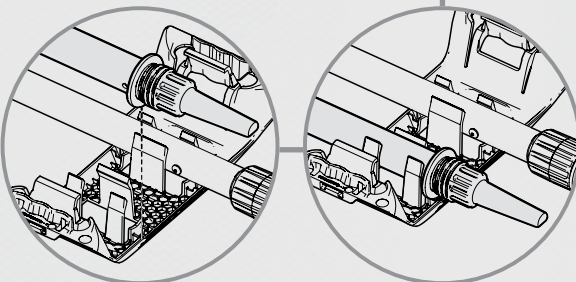

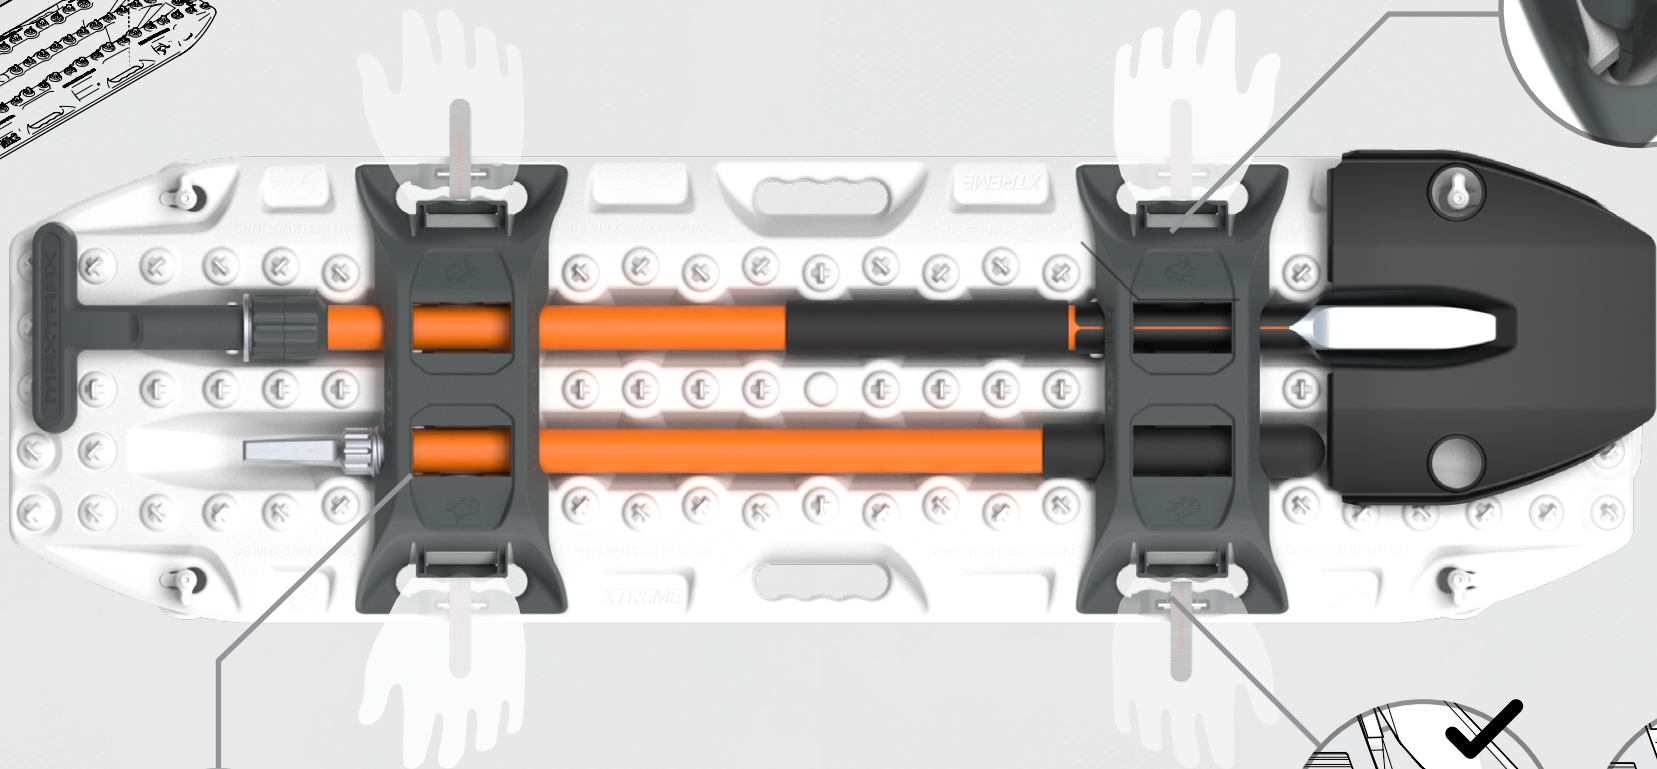

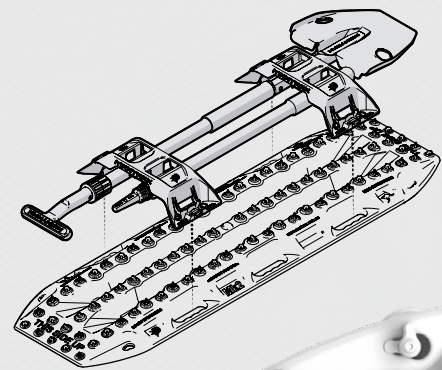

Remove the **Shovel Handle** **C2** and fit the **Extension Pole** **C1** into position.
(The thread will engage once the handle is properly seated.)

INSTALLATION INSTRUCTIONS

MOUNTING INSTALLATION

Insert the **Base Shovel** and **Extension Pole** into the **Shovel Brackets**. Then **align** and position the assembly into the **handles** of the **recovery board**.

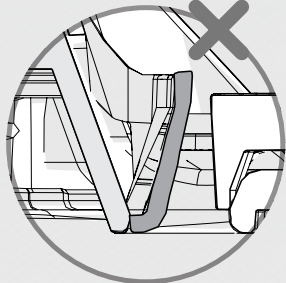

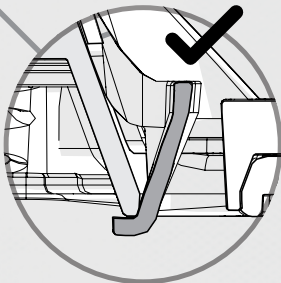

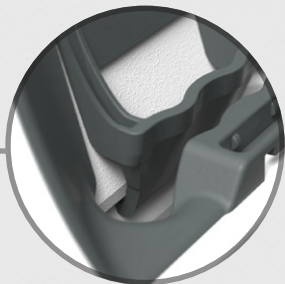

NOTE: Ensure the end of the **Extension Pole** is located into the **securing lip** on the underside of the **Shovel Bracket**.

INSTALLATION INSTRUCTIONS

BOARD INSTALLATION

Firmly **press down** on the corners of the Shovel Bracket nearest to points **P1** & **P2** until you hear a **click**.
Repeat the same process for the second **Bracket** to ensure full engagement.

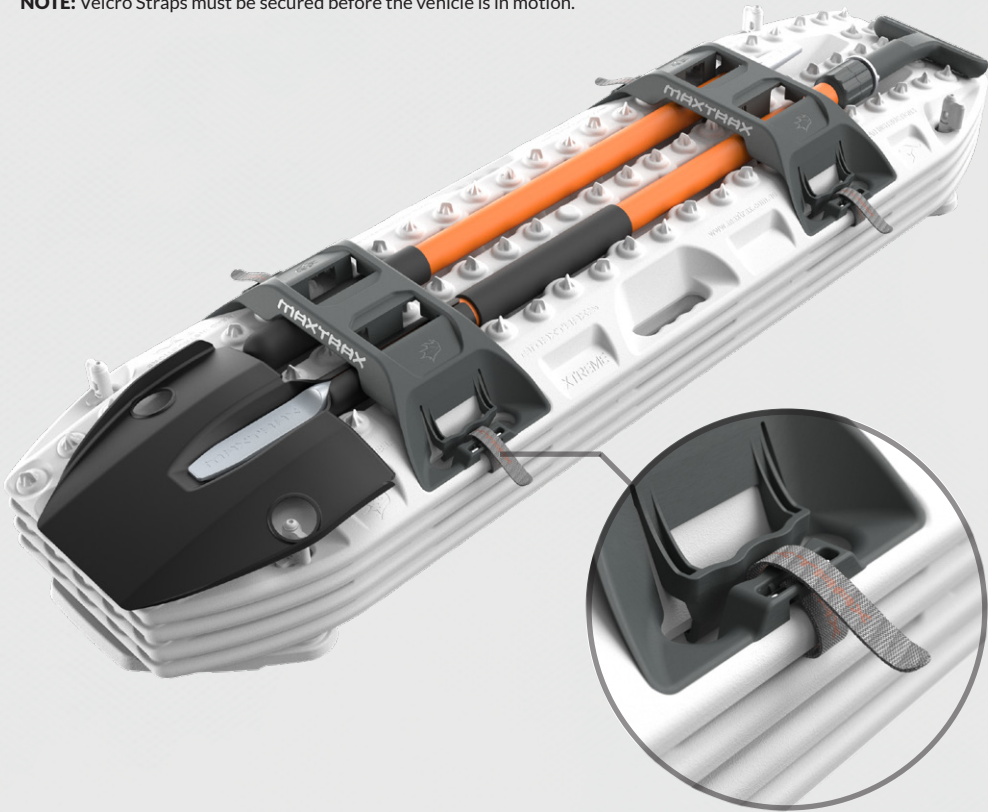

NOTE: Check each of the **Shovel Bracket** clips to ensure they are fully engaged before continuing.

STORAGE INSTRUCTIONS

SECURE FOR TRANSPORT

Wrap the **Velcro Straps** around the handles of the top recovery board, ensuring they are secured at all four handle locations.

NOTE: Velcro Straps must be secured before the vehicle is in motion.

BOARD COMPATIBILITY

BOARD MODELS	COMPATIBLE

CARE & MAINTENANCE

The components of the Maxtrax All-Terrain Recovery Shovel are built to a high standard, but due to their intended outdoor use, they may be subject to wear, abrasion, or damage such as surface cracking, deformation or discolouration. To maximise the lifespan of the product, rinse thoroughly with fresh water after exposure to mud, sand, or salt. Keep out of direct sunlight and extreme weather conditions when not in use.

SAFETY RECOMMENDATIONS

The Maxtrax All-Terrain Recovery Shovel is designed to securely mount to your Maxtrax MKII or XTREME recovery boards. The system can be used with Maxtrax mounting solutions to attach to your vehicle for off-road travel.

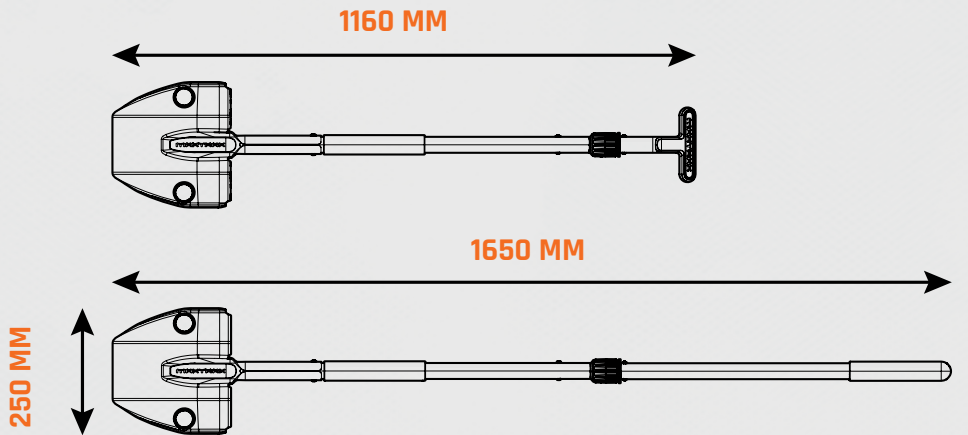

Install using only the Maxtrax straps as directed. Ensure all components are securely fastened and Inspect clips to ensure full engagement before travel.

Important: Do not install the All-Terrain Recovery Shovel onto a vehicle if any part appears cracked, loose, or damaged. Improper installation or use may result in failure during transport.

WARRANTY

The Maxtrax All-Terrain Recovery Shovel comes with a 12 month warranty against manufacturing defects, subject to stated limitations. Proof of purchase is required for any warranty claims. Read full details online at maxtrax.com.au/pages/warranty
