

# RHINO-RACK

Aerodynamic & Heavy Duty Roof Rack Systems

## SPECIFICATION SHEET

## RSS116

VEHICLE BRAND	MITSUBISHI
VEHICLE TYPE	PAJERO LWB
YEAR MODEL	05/2000 ON
LOAD RATING	60KG – 2 BAR 90KG – 3 BAR

## SPECIAL FITTING TIPS

The Mitsubishi Pajero has three fixing positions located along the inside edge of the weather stripping. When fitting the two-bar kit the rear bar must be installed in the rear position. The other bar can be fitted in the middle or front position. An additional third bar is available the Part No is RSS116F/M.

When fitting bars on vehicle, peel rubber trim back, feed clamp onto hook, place pads under clamps, so that cage nut fits into the slot provided in the rubber pads. Place crossbars on pads and tighten 6mm bolt assembly. See photo below.

## SPECIFICATIONS:

**Front/Middle Bar – 90cm**

**Rear Bar – 89cm**
